n di-e-bus illis: Venit Amalec, et pugnébat contra Isra-el in Rá-

phidim. Dixítque Mó-yses ad Iósu-e: « E-lige viros, et egréssus pugna

contra Amalec; cras ego stabo in vértice collis, habens virgam De-i in

manu me-a ». Fecit Iósu-e ut locútus erat Mó-yses, et pugnávit contra

Amalec; Mó-yses autem et A-aron et Hur ascendérunt super vérticem

collis. Cumque leváret Mó-yses manus, vincébat Isra-el; sin autem páulu-

lum remi-sísset, superábat Amalec. Manus autem Mó-ysi erant graves;

suméntes ígitur lápidem, posu-érunt subter e-um, in quo sedit; A-arón

autem et Hur sustentábant manus eius ex utráque parte. Et factum est

ut manus illí-us non lassaréntur usque ad occásu-m so-lis. Fugavítque

Iósu-e Amalec et pópulum eius in ore gládi-i.
