

Reading I for Easter Vigil

Genesis 1:1–2:2

Lécti-o libri Génesis

In princípi-o cre-ávit De-us cælum et terram. Terra autem erat in-

ánis et vácu-a, et ténebræ erant super fáci-em abýssi, et spí-ritus De-

i ferebátur super aquas. Dixitque De-us: « Fi-at lux ». Et facta est lux.

Et vidit De-us lucem quod esset bona et diví-sit lucem a ténebris. Appel-

lavítque lucem « di-em » et ténebras « noctem ». Factúmque est véspere

et mane, di-es unus. Dixit quoque De-us: « Fi-at firmaméntum in mé-

di-o aquárum et dívidat aquas ab aquis ». Et fecit De-us firmaméntum,

divi-sítque aquas, quæ erant sub firmaménto, ab his quæ erant super

firmaméntum. Et factum est i-ta. Vocavítque De-us firmaméntum « cæ-

lum ». Et factum est véspere et mane, di-es secúndus. Dixit vero De-

us: « Congregéntur aquæ, quæ sub cælo sunt, in locum unum, et ap-

páre-at árida ». Et factum est i-ta. Et vocávit De-us áridam « terram »,

congrega-ti-onésque aquárum appellávit « mári-a ». Et vidit De-us quod

esset bonum. Et a-it: « Gérminet terra herbam viréntem et faci-éntem

semen, et lignum pomí-ferum fáci-ens fructum iuxta genus su-um, cu-

ius semen in semet-ípso sit super terram ». Et factum est i-ta. Et pró-

tu-lit terra herbam viréntem et faci-éntem semen iuxta genus su-um,

lignúmque fáci-ens fructum et habens unumquódque seméntem secún-

dum spéci-em su-am. Et vidit De-us quod esset bonum. Et factum est

véspere et mane, di-es térti-us. Dixit autem De-us: « Fi-ant luminári-

a in firmaménto cæli et dívidant di-em ac noctem; et sint in signa et

témpora et di-es et annos, ut lúce-ant in firmaménto cæli et illúminent

terram ». Et factum est i-ta. Fecítque De-us du-o luminári-a magna:

lumináre maius, ut præ-éset di-é-i, et lumináre minus, ut præ-éset

nocti, et stellas. Et pósu-it e-as in firmaménto cæli, ut lucérent super

terram et præ-éssent di-é-i ac nocti et divíderent lucem ac ténebras.

Et vidit De-us quod esset bonum. Et factum est vespere et mane, di-es

quartus. Dixit ét-i-am De-us: « Prodúcant aquæ répti-le ánimæ vivén-

tis, et volá-ti-le super terram sub firmaménto cæli ». Cre-avítque De-

us cete grándi-a et omnem ánimam vivéntem atque motábi-lem, quam

prodúxerant aquæ in spéci-es su-as, et omne volá-ti-le secúndum genus

su-um. Et vidit De-us quod esset bonum, benedixítque e-is dicens:

« Crésci-te et multiplicámini et repléte aquas ma-tis, avésque multipli-

céntur super terram ». Et factum est vespere et mane, di-es quintus.

Dixit quoque De-us: « Producat terra ánimam vivéntem in génere su-o,

iuménta et reptí-li-a et bésti-as terræ iuxta spéci-es su-as ». Factúmque

est i-ta. Et fecit De-us bésti-as terræ iuxta spéci-es su-as et iuménta et

omne répti-le terræ in génere su-o. Et vidit De-us quod esset bonum.

Et a-it: « Faci-ámus hóminem ad imáginem et simi-litúdinem nostram;

et præ'sit pískibus maris et vola-tí-libus cæli et bésti-is universæque

terræ omníque répti-li, quod movétur in terra ». Et cre-ávit De-us hó-

minem ad imáginem su-am; ad imáginem De-i cre-ávit illum: másculum

et féminam cre-ávit e-os. Benedixítque illis De-us et a-it: « Crésci-te

et multiplicámini, et repléte terram et subíci-te e-am; et dominámini

píscibus maris et vola-tí-libus cæli et univér-sis animántibus, quæ mo-

véntur super terram ». Dixítque De-us: « Ecce dedi vobis omnem herbam

afferéntem semen super terram et univér-sa ligna, quæ habent in semet-

ípsis seméntem géneris su-i, ut sint vobis in escam et cunctis animán-

tibus terræ omníque vólucrí cæli et univér-sis quæ movéntur in terra

et in quibus est ánima vivens, ut hábe-ant ad vescéndum ». Et factum

est i-ta. Vidítque De-us cuncta quæ fécerat, et erant valde bona. Et fac-

tum est véspere et mane, di-es sextus. Igitur perfécti sunt cæli et terra et

omnis ornátus e-órum. Complevítque De-us di-e séptimo opus su-um,

quod fécerat, et requi-évit di-e séptimo ab univérso ópere quod patrát.

℣. Verbum Dómini. ℟. De-o grá-ti-as.
