Hebrews 9:11–15

**L**ecti-o Epístolæ be-á-ti Páuli Apósto-li ad Hebræ-os

**C**hristus, cum advénit Pónti-fex futurórum bonórum, per ámpli-

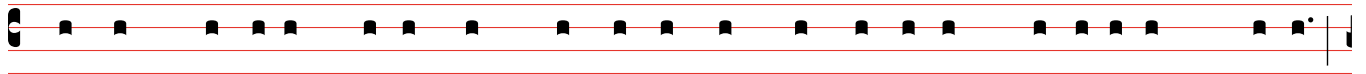

us et perfécti-us tabernáculum non manufáctum, id est non huius cre-a-

ti-ónis, neque per sánguinem hircórum et vitulórum, sed per própri-um

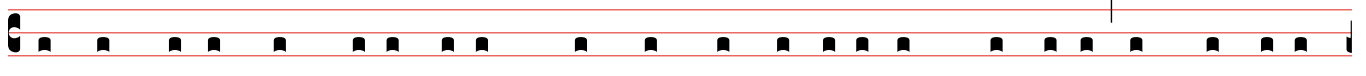

sánguinem intro-ívit semel in Sancta, æténa redempti-óne invénta. Si

enim sanguis hircórum et taurórum et cinis vítulæ aspérsus inquinátos

sanctí-ficat ad emunda-ti-ónem carnis, quanto magis sanguis Christi,

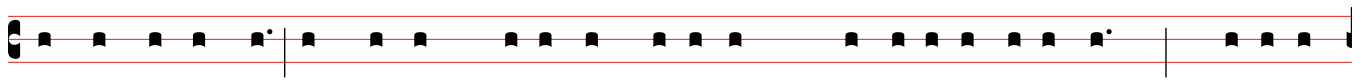

qui per Spí-ritum ætérnum semet-ípsum óbtu-lit immaculátum De-o,

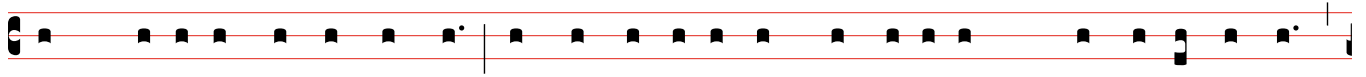

emundábit consci-énti-am nostram ab opéribus mórtu-is ad servi-én-

dum De-o vivénti? Et ide-o Novi Testaménti medi-átor est; ut, morte

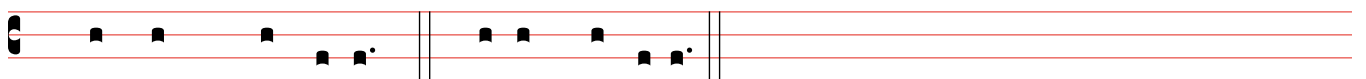

intercedénte, in redempti-ónem e-árum prævarica-ti-ónum, quæ erant

sub pri-óre Testaménto, repromissi-ónem accípi-ant qui vocá-ti sunt

æternæ heredi-tá-tis.

℣. Verbum Dómini. ℟. De-o grá-ti-as.
