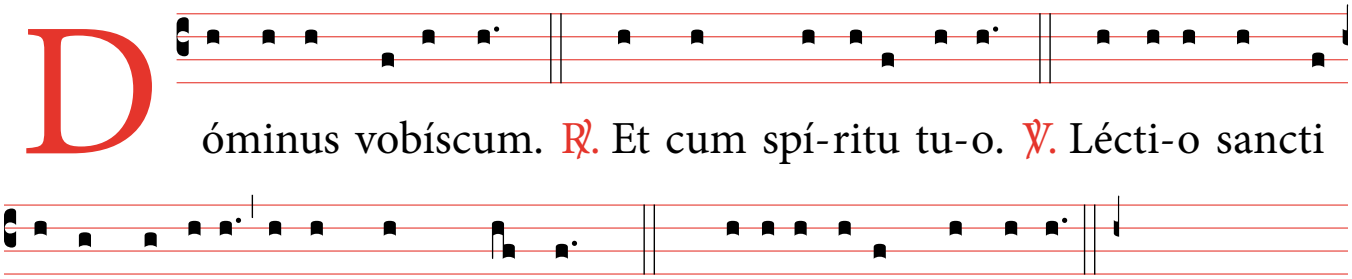
IN TRANSFIGURATIONE DOMINI

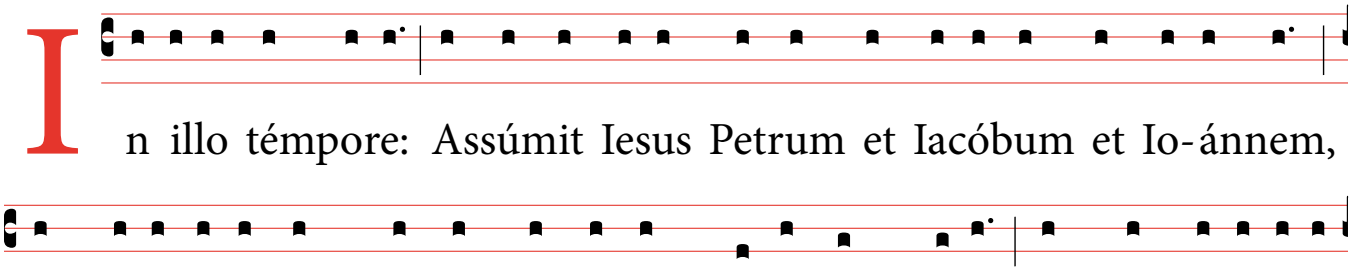
EVANGELIUM

Anno B · Tonus ad libitum

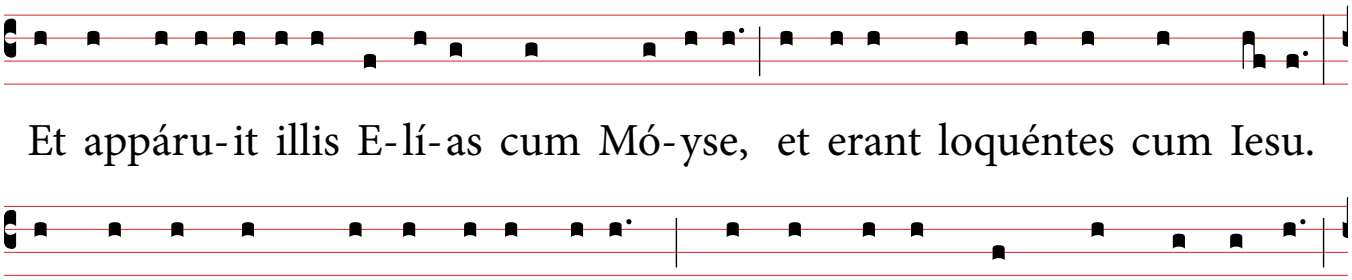
Mc 9:2–10



Dóminus vobíscum. ℟. Et cum spí-ritu tu-o. ℣. Lécti-o sancti Evangé-li-i secúndum Marcum ℟. Glóri-a tibi, Dómine.

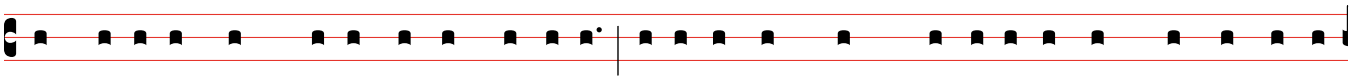


In illo témpore: Assúmit Iesus Petrum et Iacóbum et Io-ánnem, et ducit illos in montem excélsum se-órsum solos; et transfigurátus est coram ipsis. Et vestiménta eius facta sunt splendénti-a, cándida nimis, quá-li-a fullo super terram non potest tam cándida fácere.

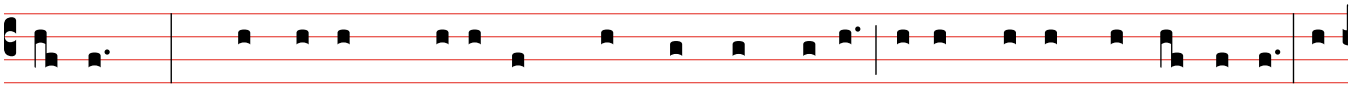


Et appáru-it illis E-lí-as cum Mó-yse, et erant loquéntes cum Iesu.

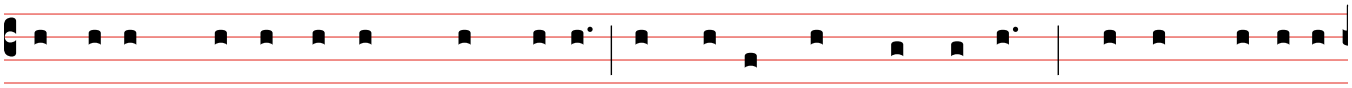
Et respóndens Petrus a-it Iesu: « Rabbi, bonum est nos hic esse;



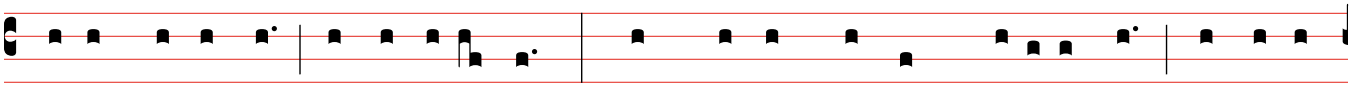
et faci-ámus tri-a tabernácula, tibi unum et Mó-ysi unum et E-lí-æ



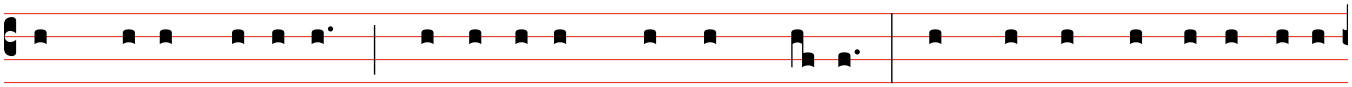
unum ». Non enim sci-ébat quid respondéret, erant enim extérri-ti. Et



facta est nubes obúmbrans e-os, et venit vox de nube: « Hic est Fí-li-us

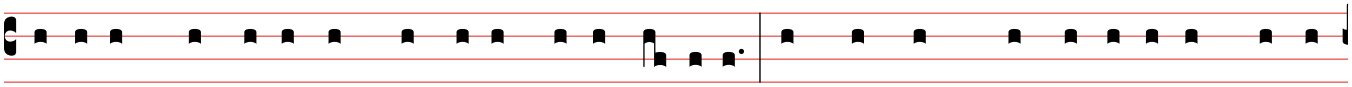


me-us di-léctus: audí-te il-lum ». Et, sta-tim circumspici-éntes, néminem



ámpli-us vidérunt, ni-si Iesum tantum secum. Et descendéntibus illis

de monte, præcépit illis, ne cu-i quæ vidíssent narrárent, ni-si cum



Fí-li-us hóminis a mórtu-is resurréxerit. Et verbum continu-érunt apud

se, conquiréntes quid esset illud « a mórtu-is resúrgere ».

℣. Verbum Dómini. ℟. Laus tibi, Christe.
