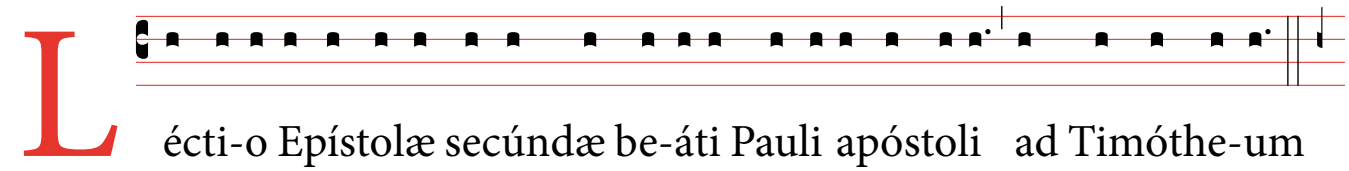
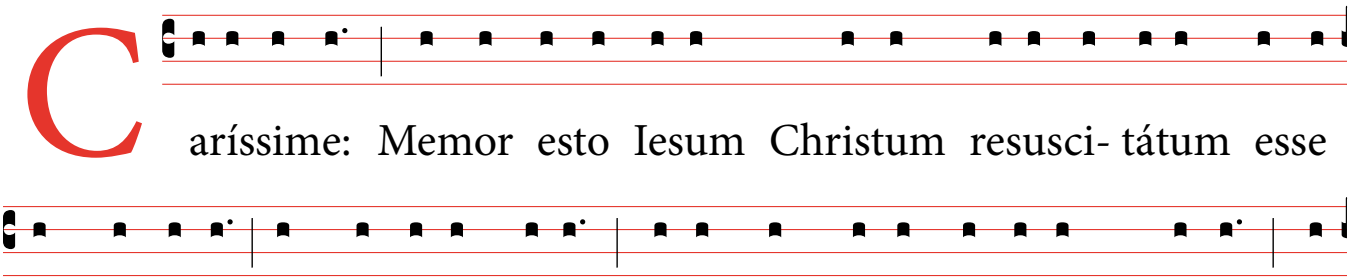
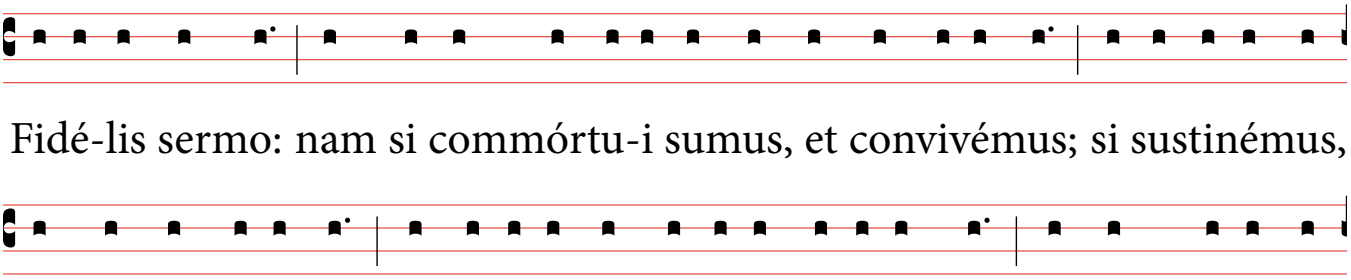
2 Tim 2:8–13



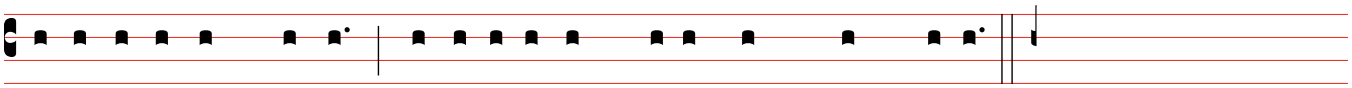
Lécti-o Epístolæ secúndæ be-áti Pauli apóstoli ad Timóthe-um



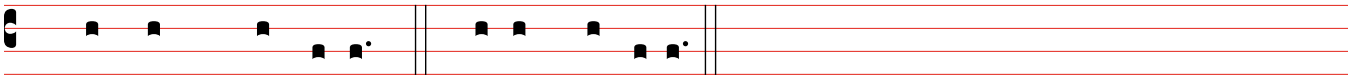
Caríssime: Memor esto Iesum Christum resusci- tátum esse a mórtu- is, ex sémine David, secúndum Evangé- li- um me- um, in quo labóro usque ad víncula quasi male óperans, sed verbum De- i non est alligátum. Ide- o ómni- a sustíne- o propter e- léctos, ut et ipsi salútem consequántur, quæ est in Christo Iesu cum glóri- a ætérna.



Fidé-lis sermo: nam si commórtu-i sumus, et convivémus; si sustinémus, et conregnábimus; si negábimus, et ille negábit nos; si non crédimus,



ille fidé-lis manet: negáre enim se-ípsum non potest.



℣. Verbum Dómini. ℟. De-o grá-ti-as.
