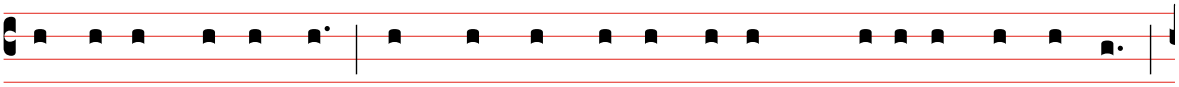
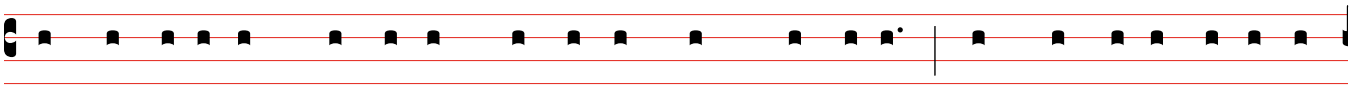
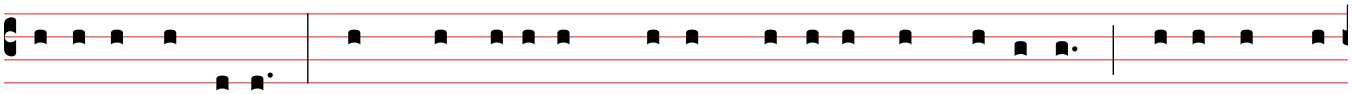
Lecti-o libri Sirácidæ



Dóminus iudex est, et non est apud illum glóri-a persónæ:

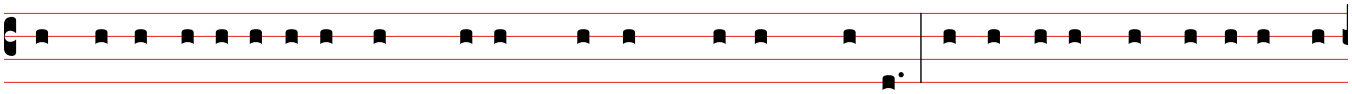


non accípi-et Dóminus persónam in páuperem, et depreca-ti-ónem

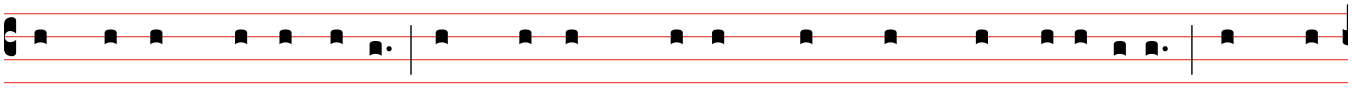


læsi exáudi-et. Non despíci-et preces pupílli nec vídu-am, si effúndat

loquélam gémitus. Qui adórat De-um in oblecta-ti-óne suscipi-étur, et

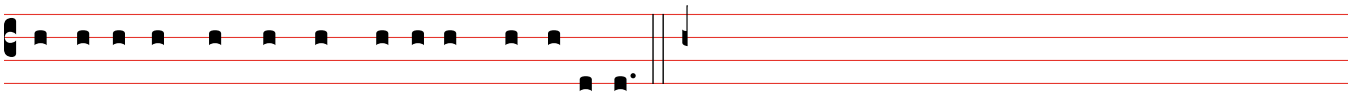


deprecá-ti-o illí-us usque ad nubes propinquábit. Orá-ti-o humi-li-ántis

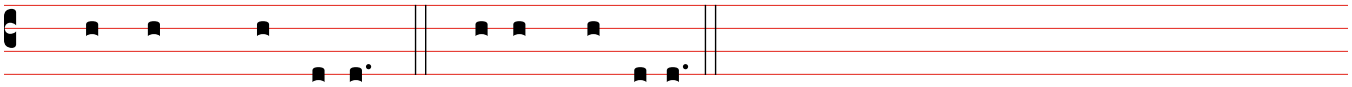


se nubes penetrábit, et donec propínquet non consolábitur, et non

discédet donec Altíssimus aspíci-at. Et Dóminus non elongábit, sed



iudicábit iustos et fáci-et iudíci-um.



℣. Verbum Dómini. ℟. De-o grá-ti-as.
