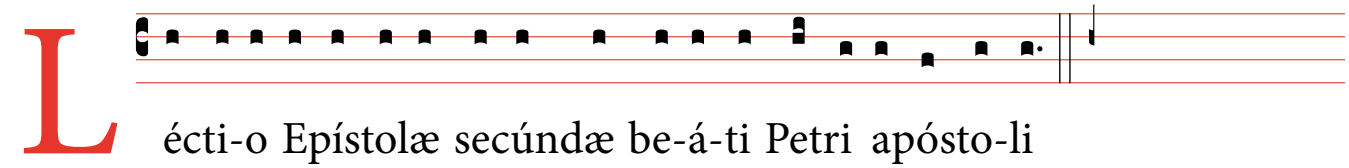
DOMINICA II ADVENTUS

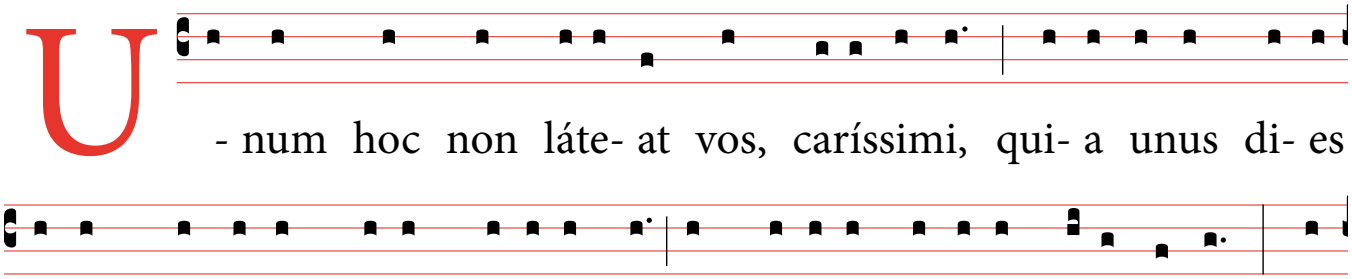
LECTIO SECUNDA

Anno B

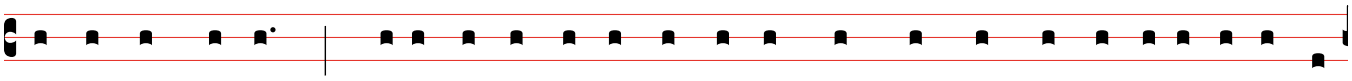
2 Petr 3:8–14



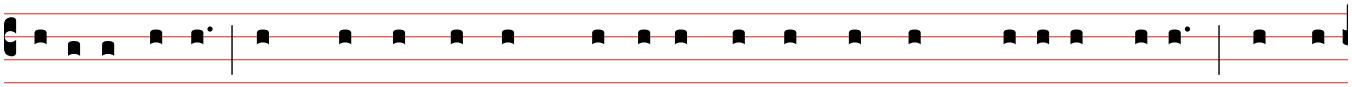
Lécti-o Epístolæ secúndæ be-á-ti Petri apósto-li



U- num hoc non láte- at vos, caríssimi, qui- a unus di- es apud Dóminum sicut mille anni, et mille anni sicut di-es unus. Non tardat Dóminus promissi-ónem, sicut quidam tardi-tátem exístimant, sed pa- ti- énter agit in vos, nolens á- liquos períre, sed omnes ad pæni- ténti- am revérti. Advéni- et autem di- es Dómini ut fur, in qua cæli magno ímpetu tránsi- ent, e-leménta vero calóre solvéntur, et terra et ópera quæ in e- a inveni- éntur. Cum hæc ómni- a i- ta



dissolvénda sint, quales opórtet esse vos in sanctis conversa-ti-ónibus et

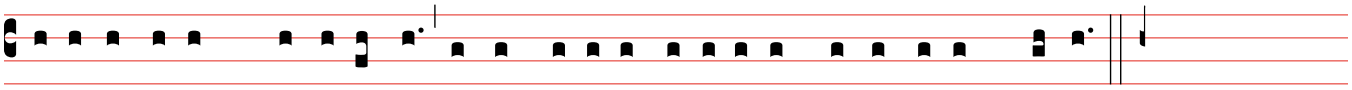


pi-etá-tibus, exspectántes et properántes advéntum di-é-i De-i, propter

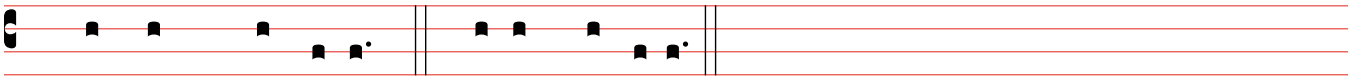
quam cæli ardéntes solvéntur et e-leménta ignis ardóre tabéscent. Novos

vero cælos et terram novam secúndum promíssum ipsí-us exspectámus,

in quíbus iustí-ti-a hábi-tat. Propter quod, caríssimi, hæc exspectántes



satági-te immaculá-ti et invi-olá-ti e-i invení-ri in pace.



℣. Verbum Dómini. ℟. De-o grá-ti-as.
