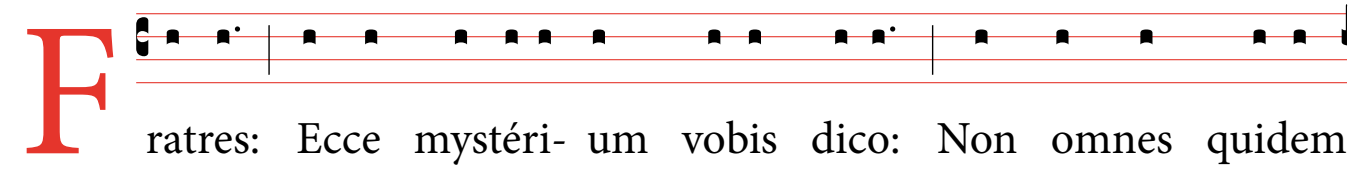
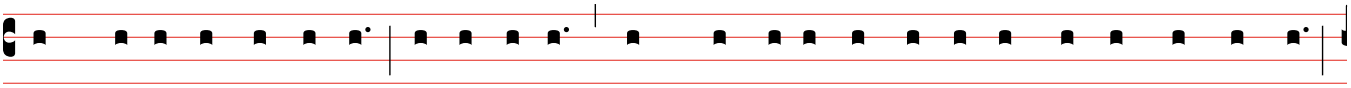
Lécti-o Epístolæ primæ be-á-ti Pauli apósto-li ad Corínthi-os

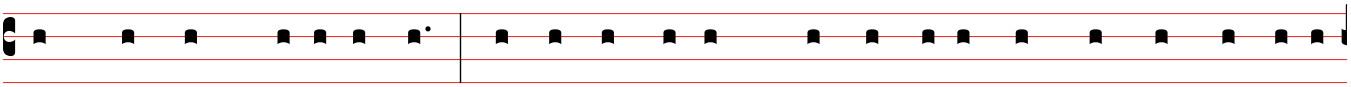


fratres: Ecce mystéri- um vobis dico: Non omnes quidem

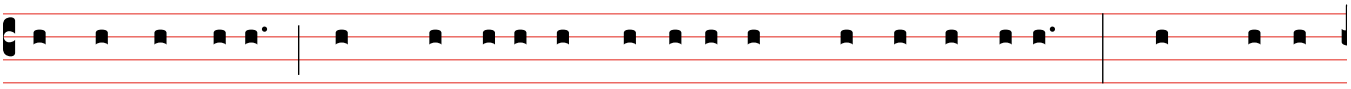
dormi-émus, sed omnes immutábimur. In moménto, in ictu ócu-li,



in novíssima tuba; canet enim, et mórtu-i susci-tabúntur incorrúpti,

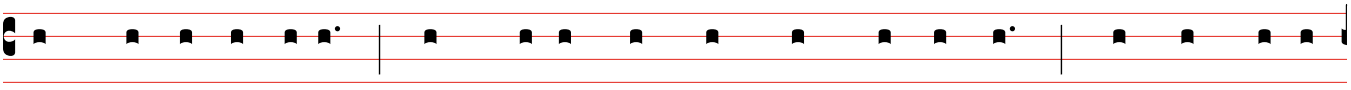


et nos immutábimur. Opórtet enim corruptíbi- le hoc indú- ere

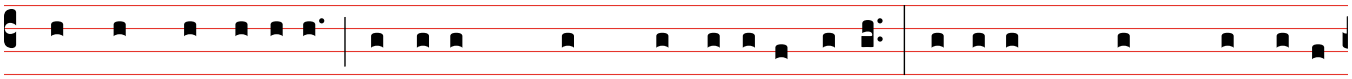


incorruptélam, et mortále indú- ere immorta- li- tátem. Cum autem

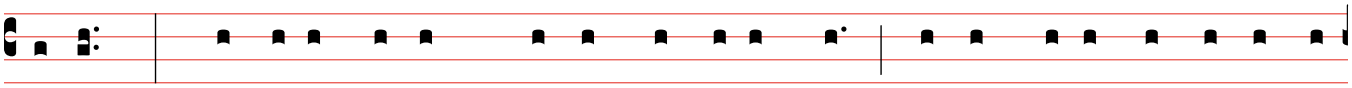
corruptíbi- le hoc indú- erit incorruptélam, et mortále hoc indú- erit



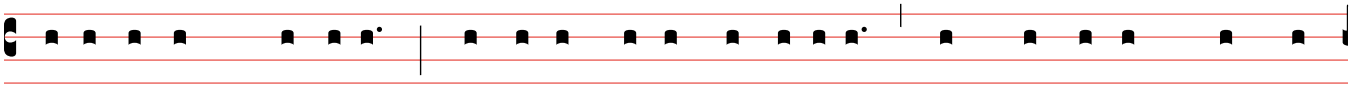
immorta- li- tátem, tunc fi- et sermo qui scriptus est: « Absórpta est



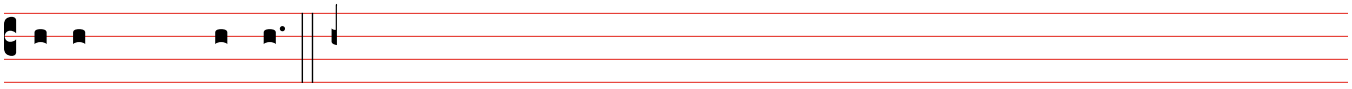
mors in victóri-a. ¿Ubi est, mors, victóri-a tu-a? ¿ubi est, mors, stímulus



tu-us? » Stímulus autem mortis peccátum est, virtus vero peccá-ti Lex



De-o autem grá-ti-as, qui dedit nobis victóri-am per Dóminum nostrum



Iesum Christum.
