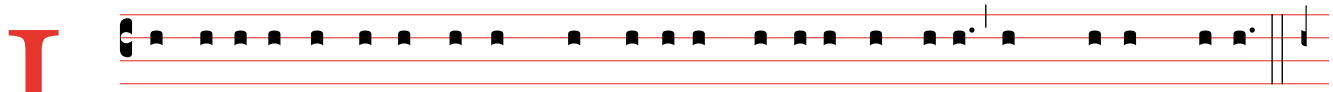
MISSÆ DEFUNCTORUM

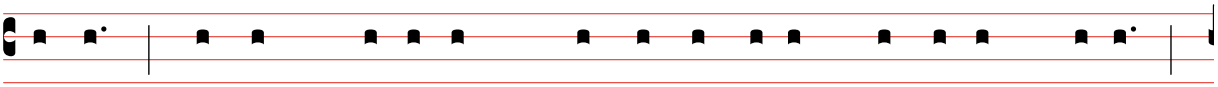
LECTIO SECUNDA

N. 9

2 Cor 4:14–5:1

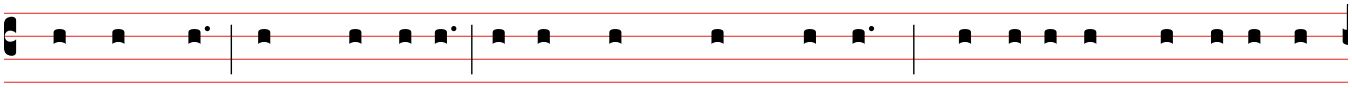


Lécti-o Epístolæ secúndæ be-áti Pauli apóstoli ad Corínthi-os

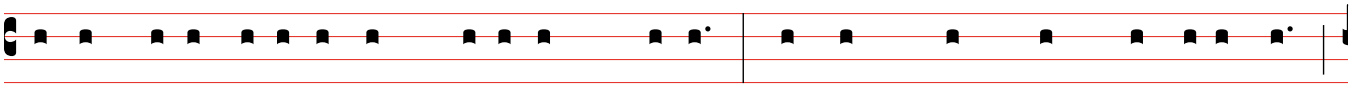


Fratres: Scimus quóni- am qui susci- távit Dóminum Iesum,

et nos cum Iesu susci- tábit, et constítu- et vobíscum. Omni- a enim

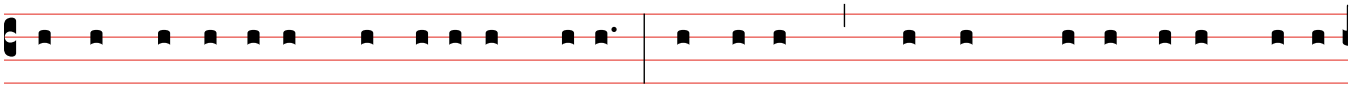


propter vos, ut grá- ti- a, abúndans per multos, gra- ti- árum acti- ónem

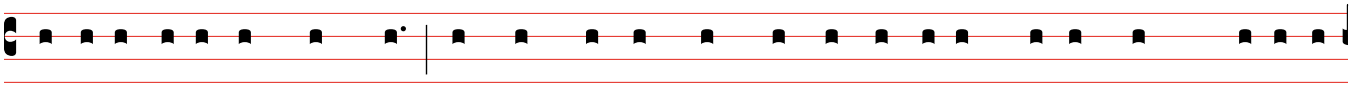


abundáre fáci- at in glóri- am De- i. Propter quod non de- fícimus;

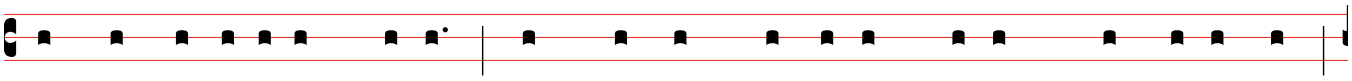
sed, licet is qui foris est noster homo corrúmpitur, tamen is qui intus est



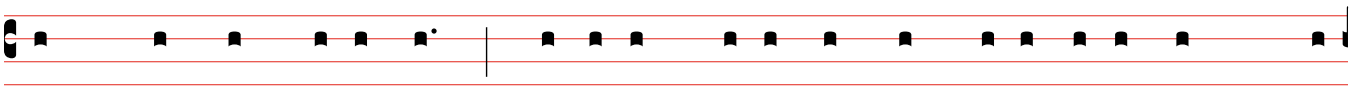
noster renovátur de di-e in di-em. Id enim, quod in præsénti est leve



tribula-ti-ónis nostræ, supra modum in sublimi-tátem ætérnum glóri-æ

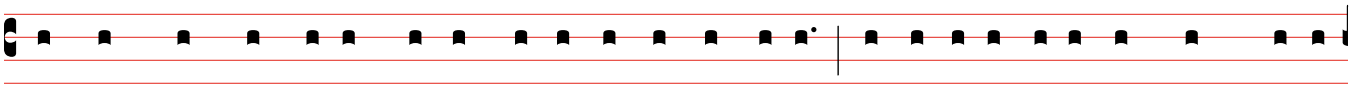


pondus operátur nobis, non contemplántibus nobis quæ vidéntur,

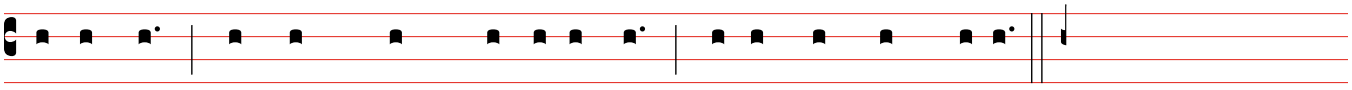


sed quæ non vidéntur: quæ enim vidéntur temporá- li- a sunt quæ

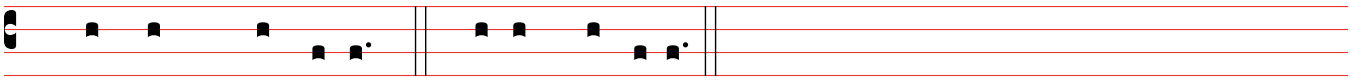
autem non vidéntur ætérna sunt. Scímus enim quóni-am, si terréstris



domus nostra huius tabernácu-li dissolvátur, ædi-fica-ti-ónem ex De-o



habémus, domum non manufáctam, ætérnam in cælis.



℣. Verbum Dómini. ℟. De-o grá-ti-as.
