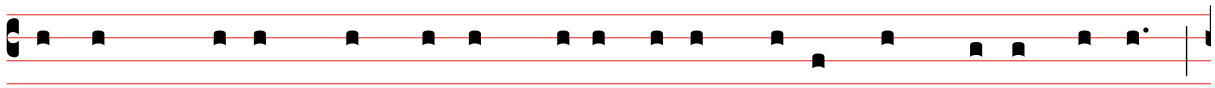
IN ASCENSIONE DOMINI

LECTIO PRIMA

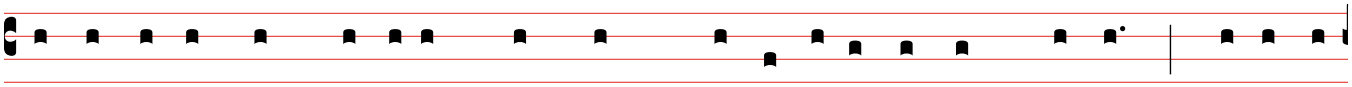
Act 1:1–11

Lécti-o Actu-um Apostolórum

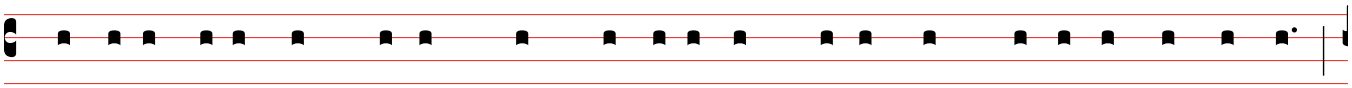


Primum quidem sermónem feci de ómnibus, o The-óphi-le,

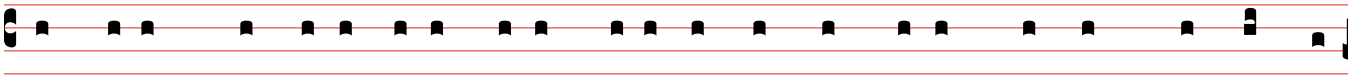
quæ cœpit Iesus fácere et docére, usque in di-em qua, cum præcepísset



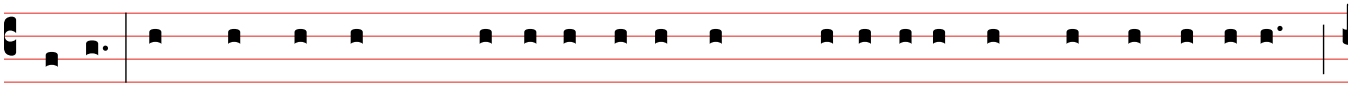
Apósto-lis per Spí-ritum Sanctum quos e-légit, assúmptus est: quibus et



præbu-it se ipsum vivum post passi-ónem su-am in multis arguméntis,

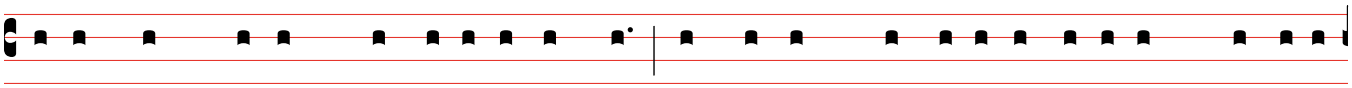


per di-es quadragínta appárens e-is et loquens e-a quæ sunt de Regno

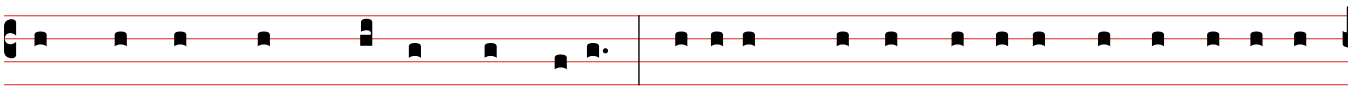


De-i. Et convéscens præcépit e-is ab Hierosólymis ne discéderent,

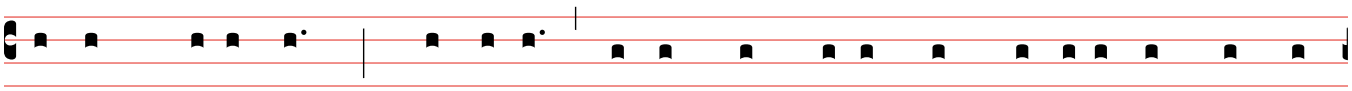
sed exspectárent promissi-ónem Patris « Quam audístis a me, qui-a



Io-ánnes quidem baptizávit aqua, vos autem baptizabímini in Spí-ritu

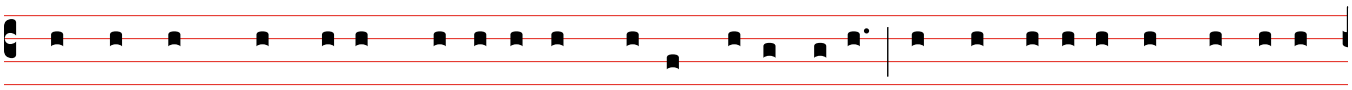


Sancto non post multos hos di-es ». Igitur qui convénerant interrogábant

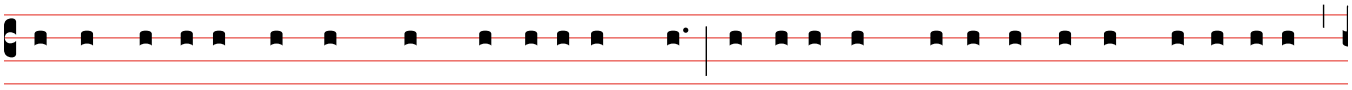


e- um dicéntes: « Dómine, ¿si in témpore hoc restítu- es regnum

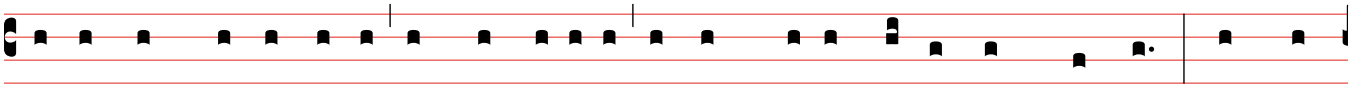
Isra- é- li? » Dixit autem e- is: « Non est vestrum nosse témpora vel



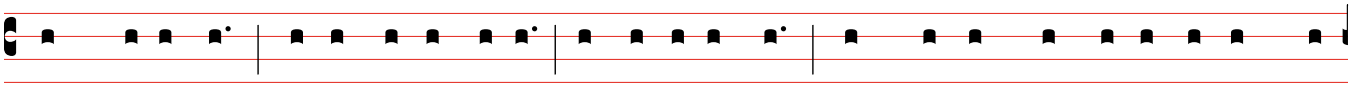
moménta quæ Pater pósu-it in su-a potestáte: sed accipi-é-tis virtútem



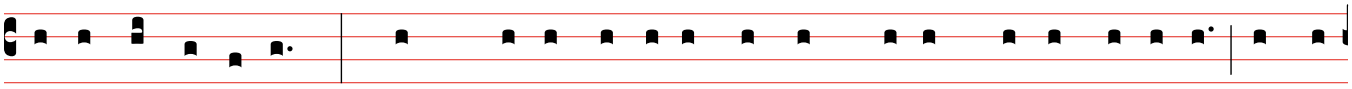
superveni-énte Sancto Spí-ritu in vos, et éri-tis mihi testes in Ierúsalem



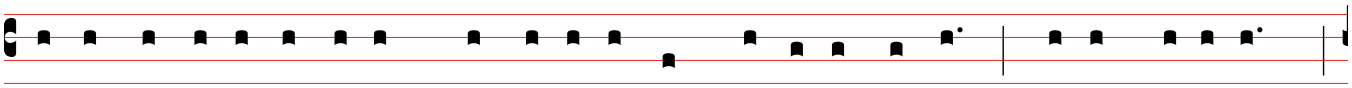
et in omni Iudǽ-a et Samarí-a et usque ad últimum terræ ». Et cum



hæc dixísset, vidéntibus illis, e- levátus est, et nubes suscépit e- um ab



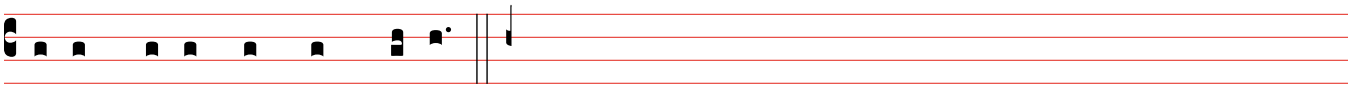
ócu- lis e- órum. Cumque intu- eréntur in cælum e- únte illo, ecce



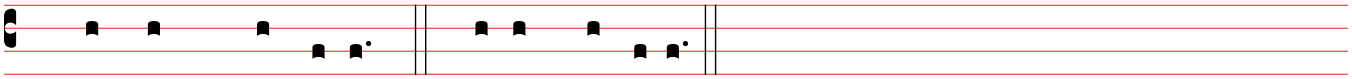
du- o vi- ri asti- térunt iuxta illos in véstibus albis, qui et dixérunt:

« Vi- ri Ga- lilǽ- i, ¿quid sta- tis aspici- éntes in cælum? Hic Iesus qui

assúmptus est a vobis in cælum sic véni- et quemádmodum vidístis



e- um e- úntem in cælum ».



℣. Verbum Dómini. ℟. De- o grá- ti- as.
