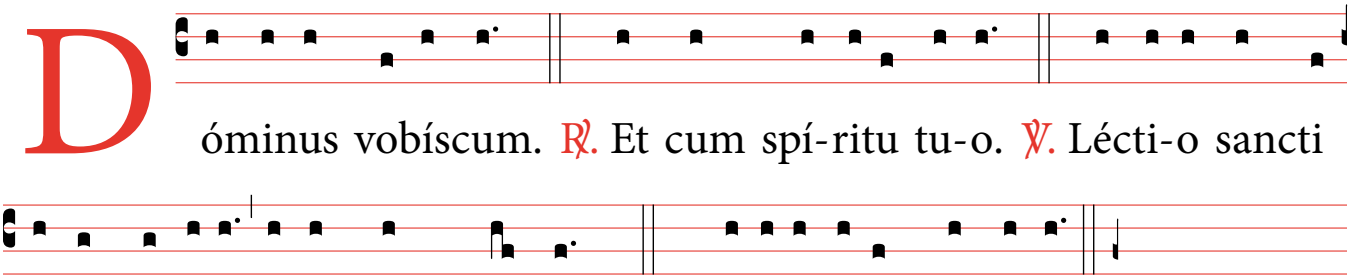
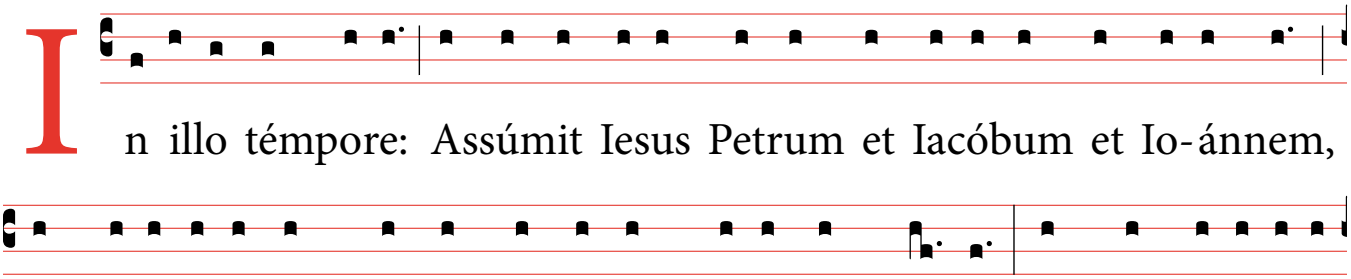
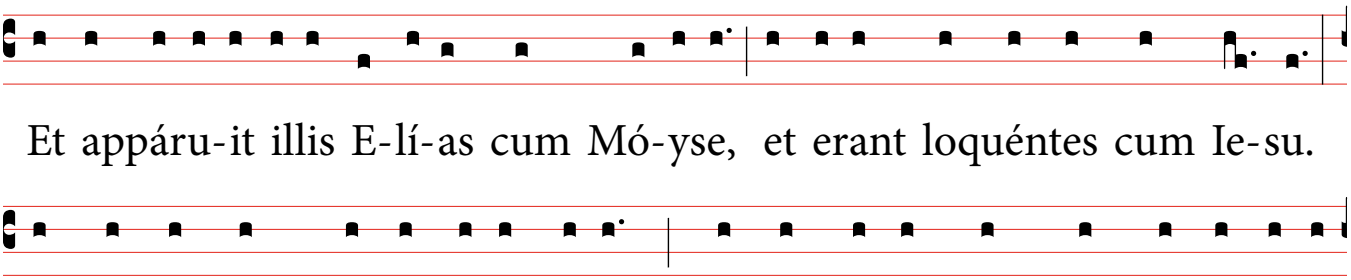
Mc 9:2–10



Dóminus vobíscum. ℟. Et cum spí-ritu tu-o. ℣. Lécti-o sancti Evangé-li-i secúndum Marcum ℟. Glóri-a tibi, Dómine.

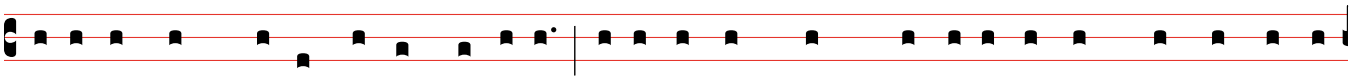


In illo témpore: Assúmit Iesus Petrum et Iacóbum et Io-ánnem, et ducit illos in montem excélsum se-órsum so-los. Et transfigurátus est coram ipsis, et vestiménta eius facta sunt splendénti-a, cándida nimis, quá-li-a fullo super terram non potest tam cándida fácere.

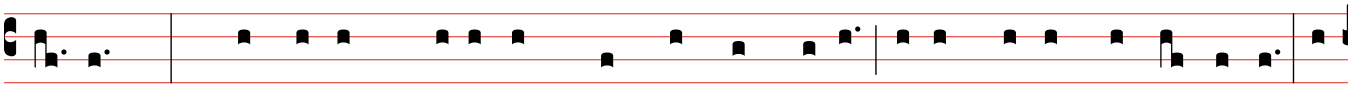


Et appáru-it illis E-lí-as cum Mó-yse, et erant loquéntes cum Ie-su.

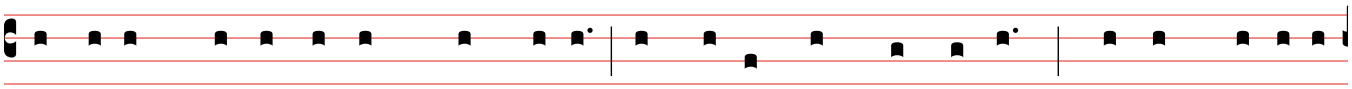
Et respóndens Petrus a-it Iesu: « Rabbi, bonum est nos hic esse et



faci- ámus tri- a tabernácula, tibi unum et Mó- ysi unum et E- lí- æ



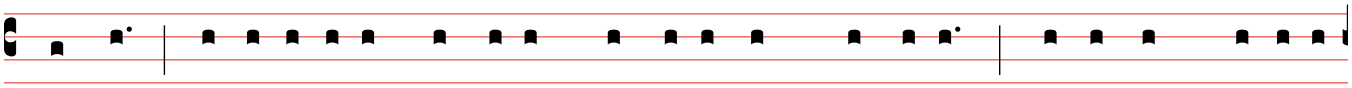
unum ». Non enim sci-ébat quid respondéret, erant enim extérri-ti. Et



facta est nubes obúmbrans e-os, et venit vox de nube: « Hic est Fí-li-us

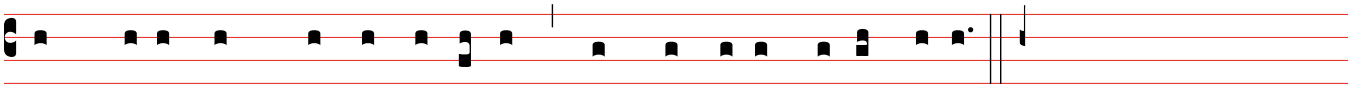
me-us di-léctus: audí-te il-lum ». Et sta-tim circumspici-éntes néminem

ámpli-us vidérunt ni-si Iesum tantum secum. Et descendéntibus illis de



monte, præcépit illis ne cu-i quæ vidíssent narrárent, ni-si cum Fí-li-us

hóminis a mórtu- is resurréxerit. Et verbum continu- érunt apud se,



conquiréntes quid esset illud « a mórtu-is resúrgere ».

℣. Verbum Dómini. ℟. Laus tibi, Christe.
