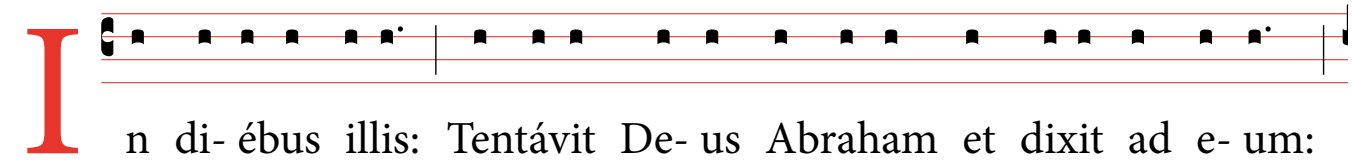
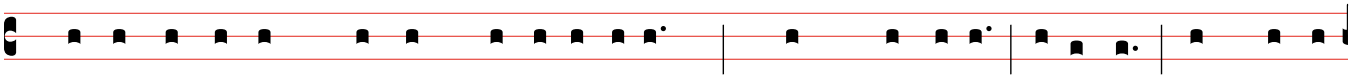
Lécti-o libri Génesis

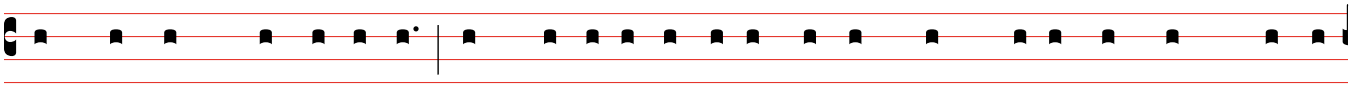


In di- ébus illis: Tentávit De- us Abraham et dixit ad e- um:

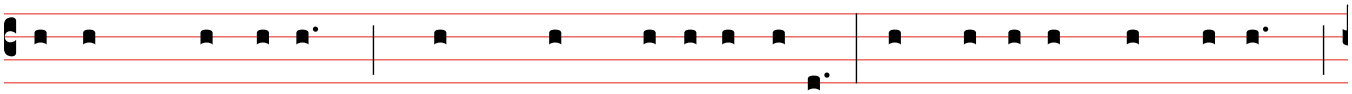
« Abraham, Abraham ». At ille respóndit: « Adsum ». A- it illi:



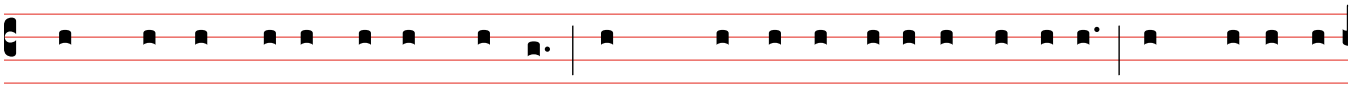
« Tolle fí- li- um tu- um unigénitum, quem dí- ligis, Isa- ac, et vade



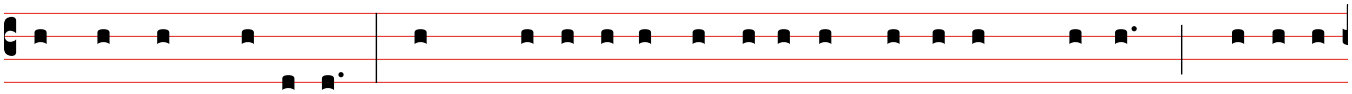
in terram vi- si- ónis, atque ibi ófferes e- um in holocáustum super



unum mónti- um, quem monstrávero tibi ». Et venérunt ad locum,

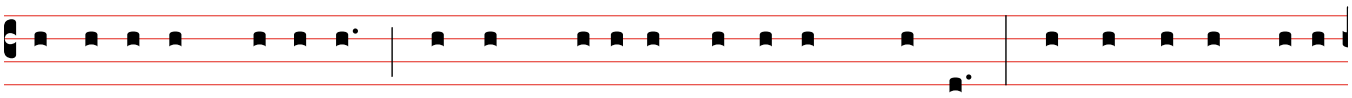


quem osténderat e- i De- us, in quo ædi- ficávit altáre, et désuper



ligna compósu- it. Cumque alligásset Isa- ac fí- li- um su- um, pósu- it

e- um in altáre super stru- em lignórum, extendítque manum et



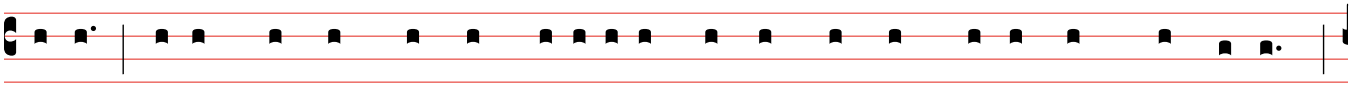
arrípu- it gládi- um, ut immoláret fí- li- um su- um. Et ecce Angelus

Dómini de cælo clamávit dicens: « Abraham, Abraham ». Qui respóndit:

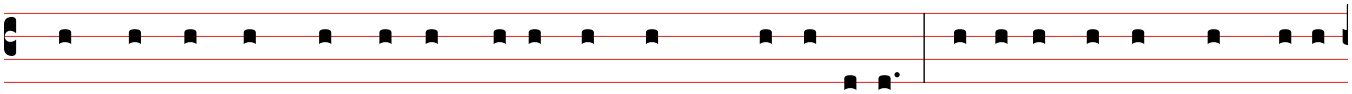
« Adsum ». Dixítque e-i: « Non exténdas manum tu-am super pú-erum,

neque fáci- as illi quidquam; nunc cognóvi quod times De- um, et non

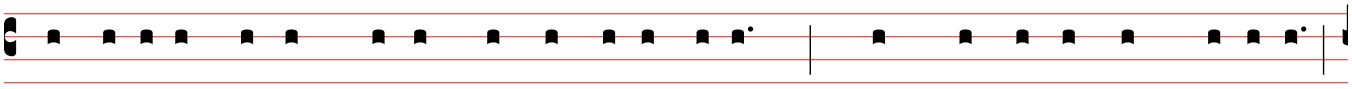
pepercísti unigénito fí-li-o tu-o propter me ». Levávit Abraham óculos



su-os, vidítque post tergum arí-etem inter vepres hæréntem córnibus,



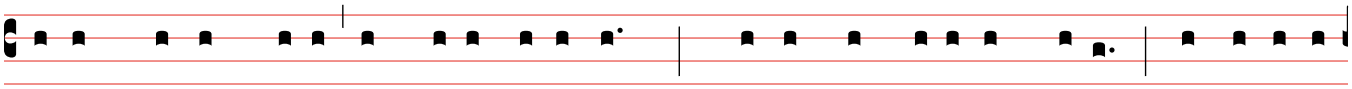
quem assúmens óbtu-lit holocáustum pro fí-li-o. Vocávit autem Angelus



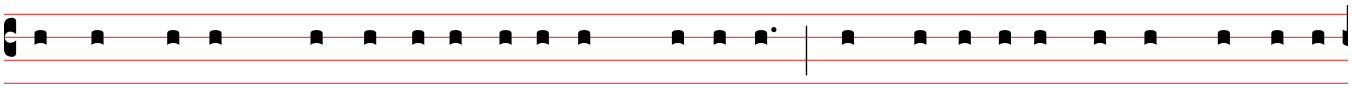
Dómini Abraham secúndo de cælo dicens: « Per memet-ípsum iurávi,

dicit Dóminus: qui-a fecísti hanc rem et non pepercísti fí-li-o tu-o

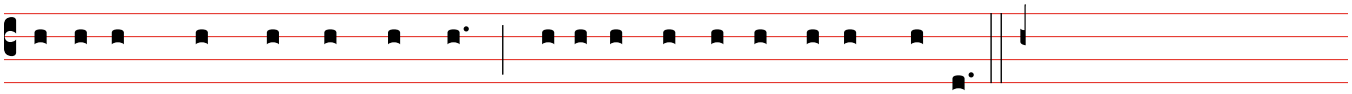
unigénito propter me, benedícam tibi et multiplicábo semen tu-um



sicut stellas cæli et velut arénam, quæ est in lítore maris; possidébit



semen tu-um portas inimicórum su-órum, et benedicéntur in sémine



tu-o omnes gentes terræ, qui-a obœdísti voci me-æ ».
