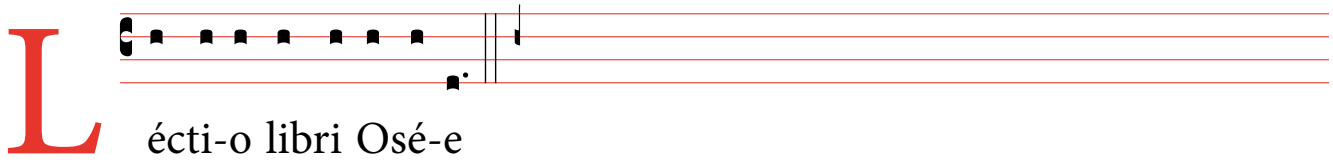
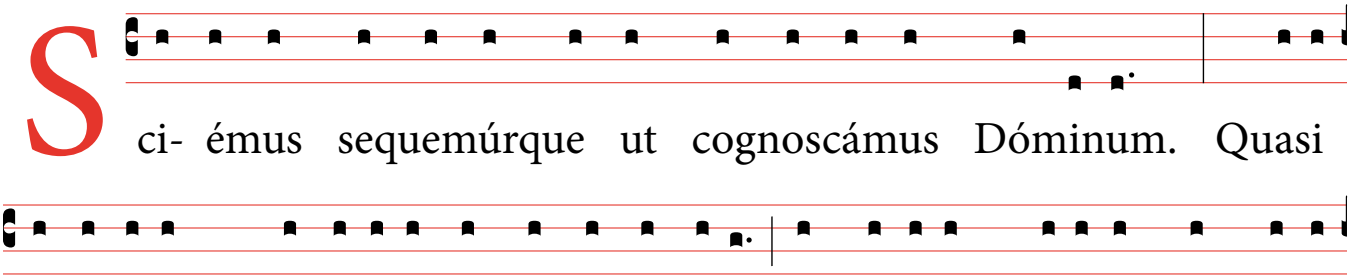
Os 6:3–6

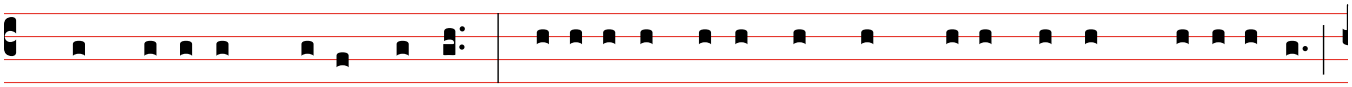


Lécti-o libri Osé-e

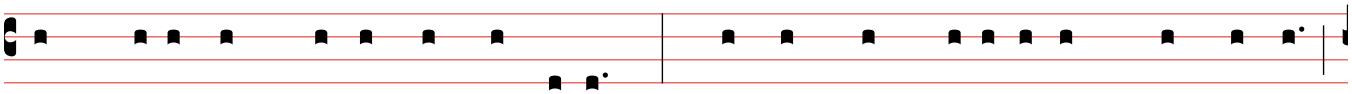


Sci- émus sequemúrque ut cognoscámus Dóminum. Quasi di-lúculum præparátus est egréssus eius, et véni-et quasi imber nobis

temporáne- us et serótinus terræ. ¿Quid fáci- am tibi, Ephra- im?

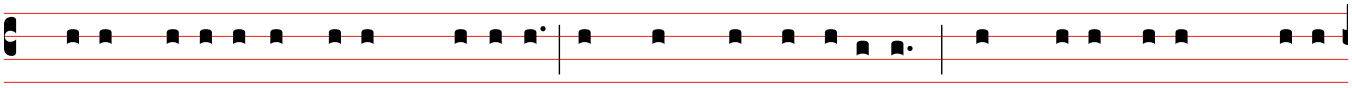


¿quid fáci-am tibi, Iuda? Misericórdi-a vestra quasi nubes matutína,



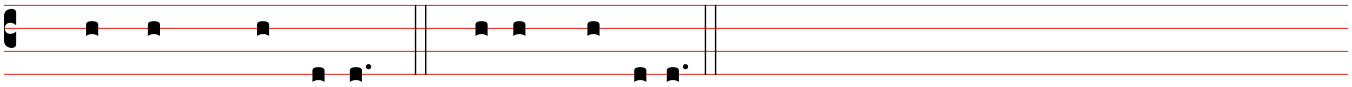
et quasi ros mane pertránsi-ens. Propter hoc dolávi in prophé-tis,

occídi e-os in verbis oris me-i, et iudíci-a tu-a quasi lux egredi-éntur.



Qui-a misericórdi-am vólu-i, et non sacri-fíci-um; et sci-énti-am De-i

plus quam holocáusta.



℣. Verbum Dómini. ℟. De-o grá-ti-as.
