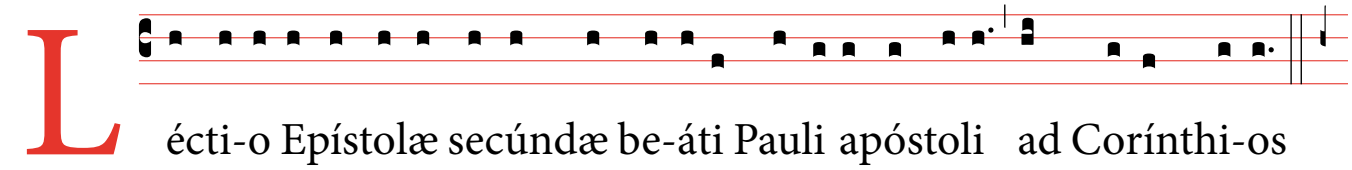
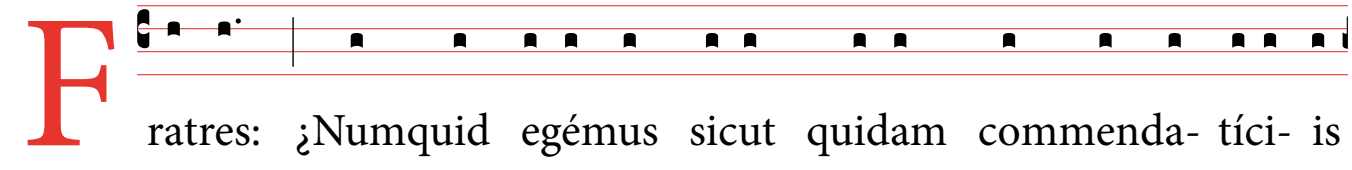
LECTIO SECUNDA

Anno B

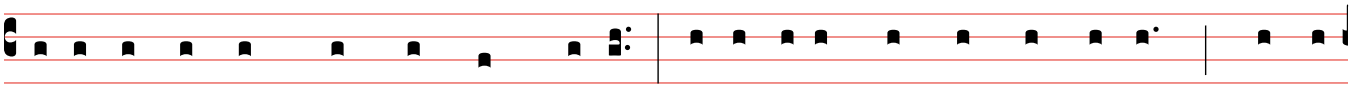
2 Cor 3:1b–6



Lécti-o Epístolæ secúndæ be-áti Pauli apóstoli ad Corínthi-os

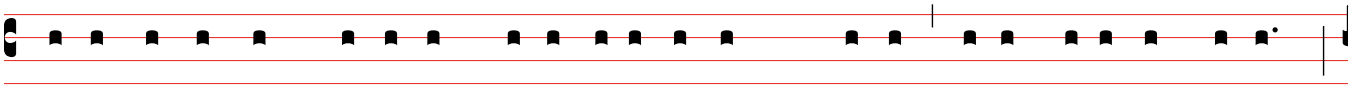


Fratres: ¿Numquid egémus sicut quidam commenda- tíci- is

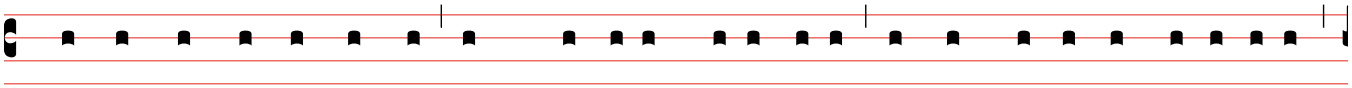


epísto- lis ad vos aut ex vobis? Epístola nostra vos estis, scripta

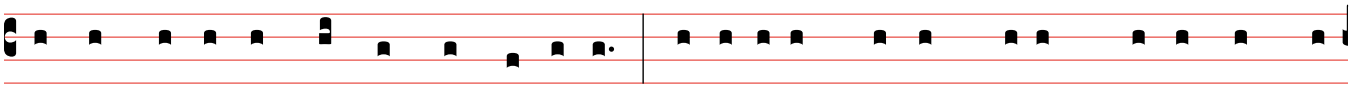
in córdibus nostris, quæ scitur et légitur ab ómnibus homínibus;



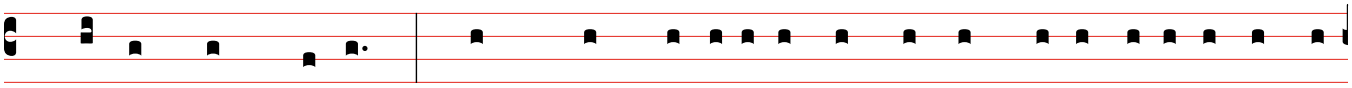
mani- festá- ti quóni- am epístola estis Christi ministráta a nobis,



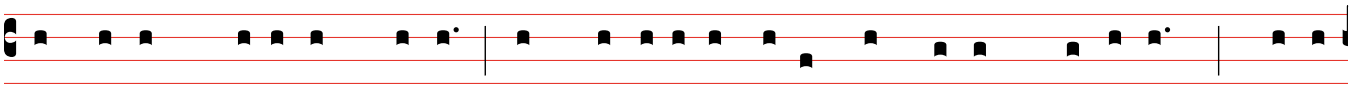
scripta non atraménto sed Spí-ritu De-i vivi non in tábu-lis lapíde-is



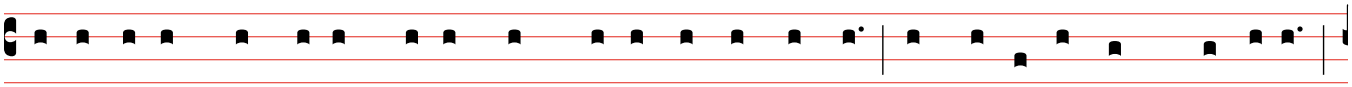
sed in tábu-lis cordis carná-libus. Fidúci-am autem talem habémus per



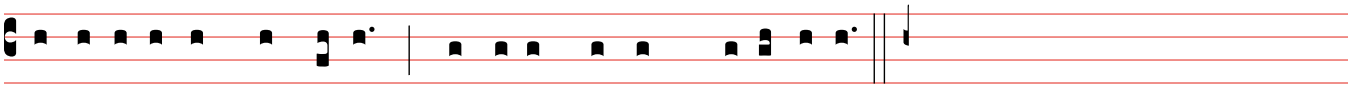
Christum ad De- um. Non quod suffici- éntes simus cogi- táre á- liquid



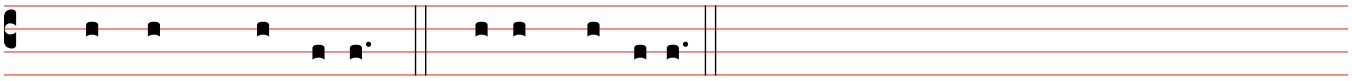
a nobis quasi ex nobis, sed suffici-énti-a nostra ex De-o est, qui et



idóne-os nos fecit minístros Novi Testaménti, non lítteræ sed Spí-ritus:



líttera enim occídit, Spí-ritus autem viví-ficat.



℣. Verbum Dómini. ℟. De-o grá-ti-as.
