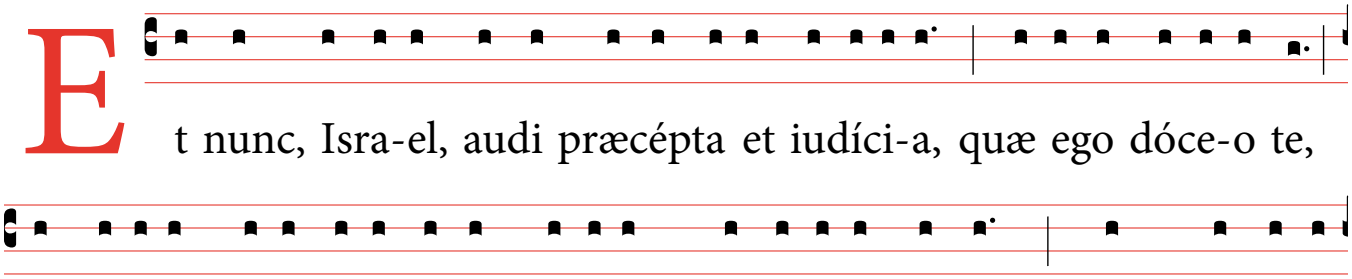
DOMINICA XXII « PER ANNUM »

LECTIO PRIMA

Anno B

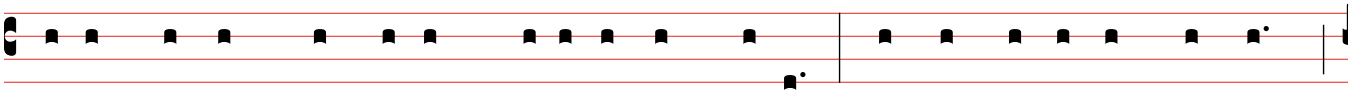
Deut 4:1–2, 6–8

Lécti-o libri Deuteronómi-i

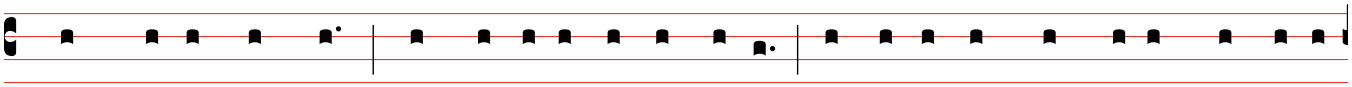


Et nunc, Isra-el, audi præcépta et iudíci-a, quæ ego dóce-o te,

ut fáci-ens e-a vivas et ingrédi-ens possíde-as terram, quam Dóminus

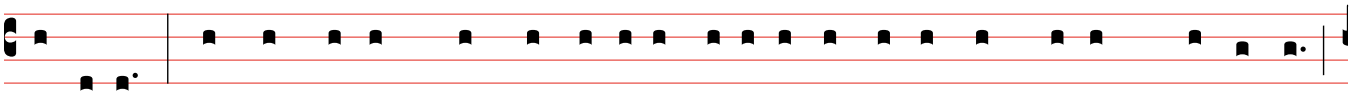


De-us patrum vestrórum datúrus est vobis. Non addé-tis ad verbum,

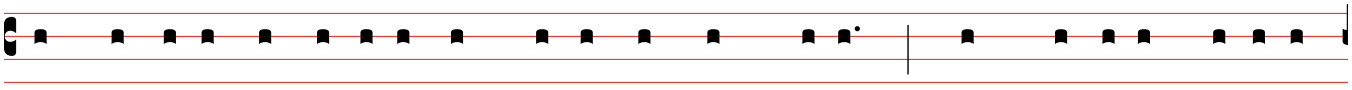


quod vobis loquor, nec auferé-tis ex e-o: custodí-te mandáta Dómini

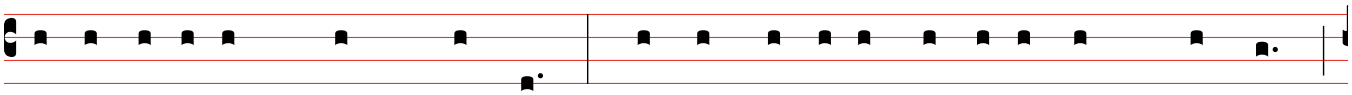
De-i vestri, quæ ego præcípi-o vobis. Et observábi-tis et implébi-tis



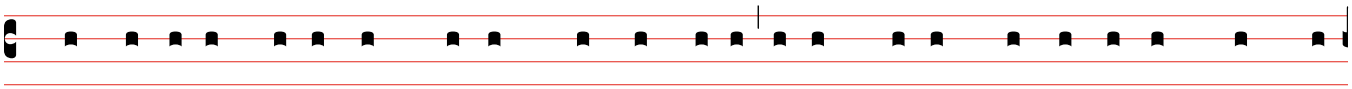
ópere. Hæc est enim vestra sapi-énti-a et intelléctus coram pópu-lis,



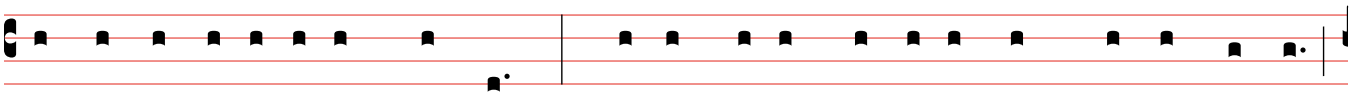
ut, audi-éntes univérsa præcépta hæc, dicant: « En pópulus sápi-ens



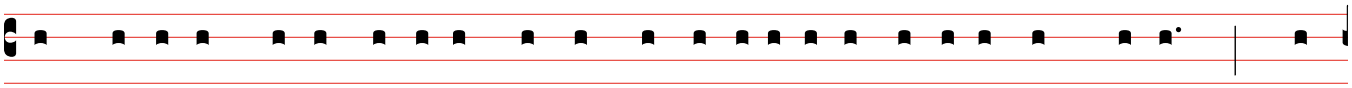
et intéllegens, gens magna ». Nec est á- li- a ná- ti- o tam grandis,



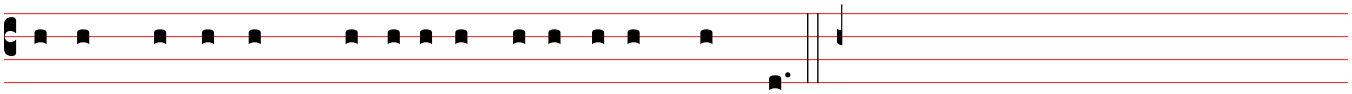
quæ hábe-at de-os appropinquántes sibi sicut De-us noster adest cunctis



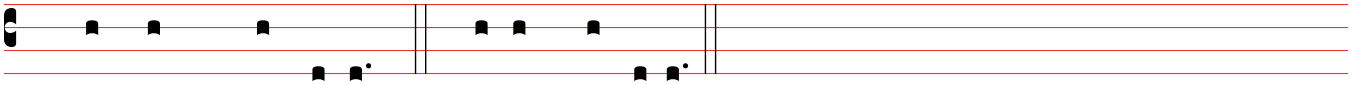
obsecra- ti- ónibus nostris. Quæ est enim á- li- a gens sic íncli- ta,



ut hábe- at cæremóni- as iústaque iudíci- a et univérsam legem, quam



ego propónam hódi-e ante óculos vestros?



℣. Verbum Dómini. ℟. De-o grá-ti-as.
