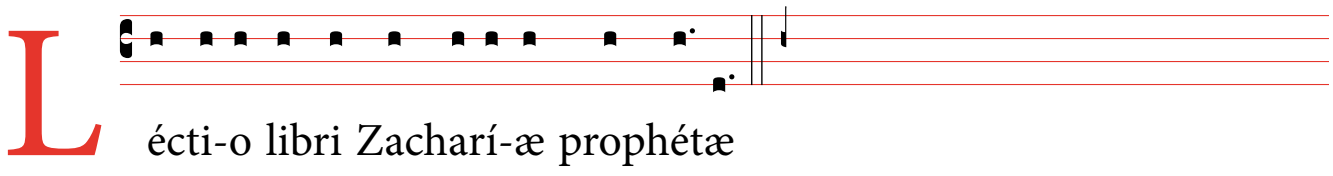
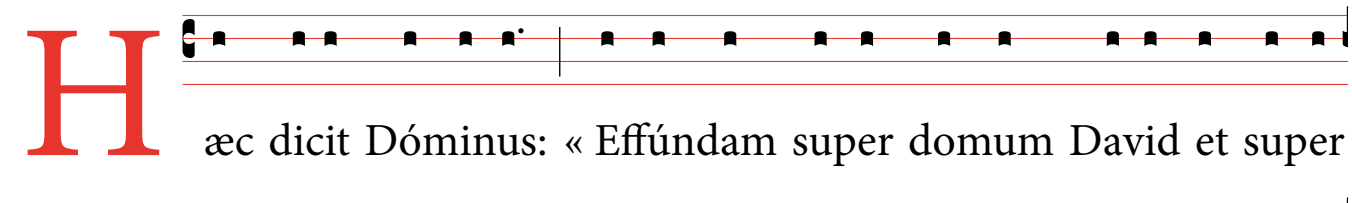
Anno C

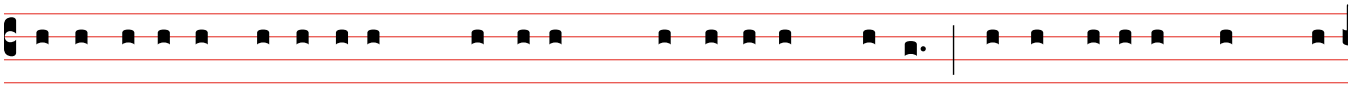
Zac 12:10–11; 13:1



Lécti-o libri Zacharí-æ prophétæ

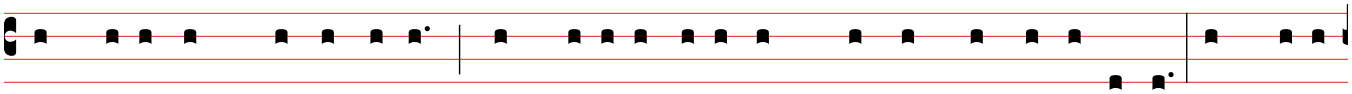


Hæc dicit Dóminus: « Effúndam super domum David et super

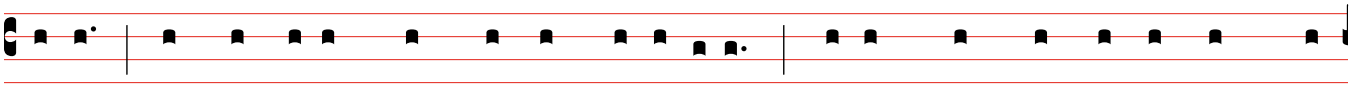


habi-tatóres Ierúsalem spí-ritum grá-ti-æ et precum: et aspíci-ent ad me

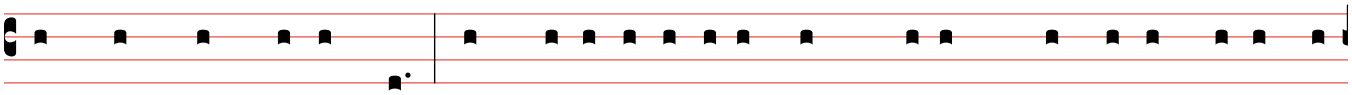
quem confixérunt, et plangent e-um planctu quasi super unigénitum,



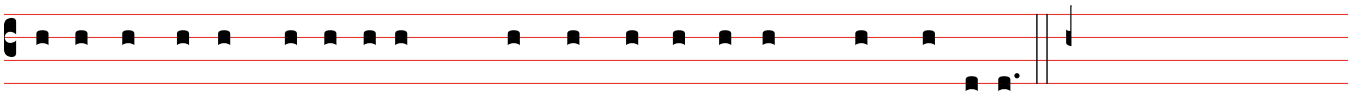
et dolébunt super e-um, ut doléri solet in morte primogéni-ti. In di-e



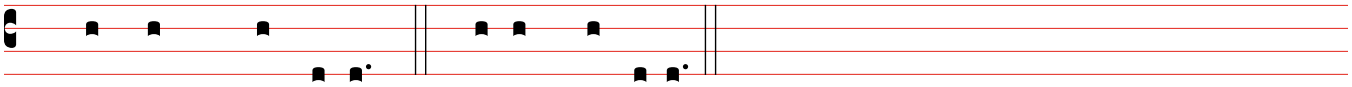
illa, magnus erit planctus in Ierúsalem, sicut planctus Adadrémmon



in campo Magéddon. In di-e illa erit fons patens dómu-i David et



habi-tántibus Ierúsalem pro peccá-tis et immundí-ti-a ».



℣. Verbum Dómini. ℟. De-o grá-ti-as.
