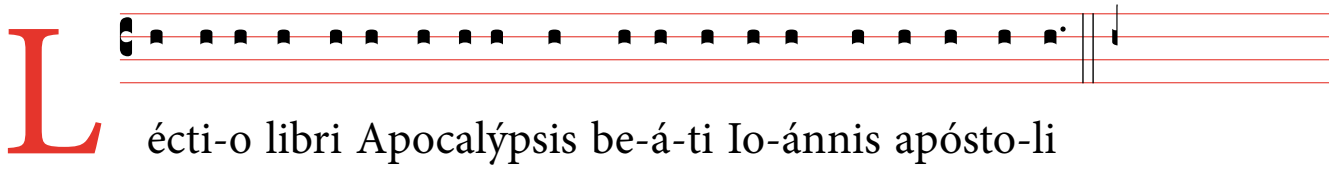
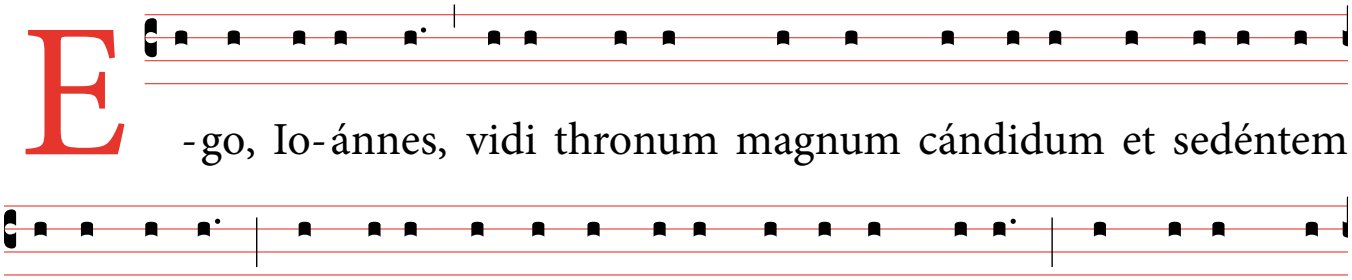
LECTIO PRIMA

Tempore Paschali · N. 3

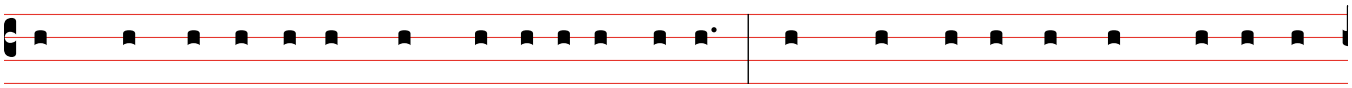
Ap 20:11–21:1



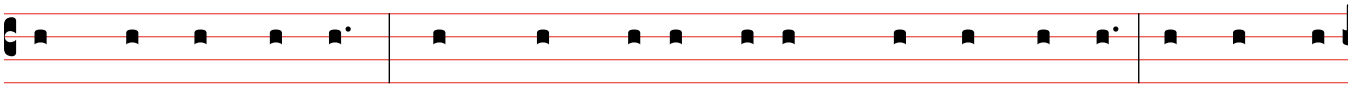
Lécti-o libri Apocalýpsis be-á-ti Io-ánnis apósto-li



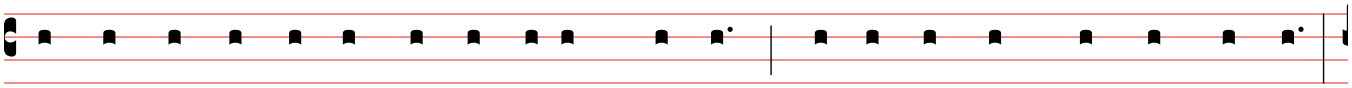
E-go, Io-ánnes, vidi thronum magnum cándidum et sedéntem super e-um, a cuius aspéctu fugit terra et cælum, et locus non est invéntus e-is. Et vidi mórtu-os, magnos et pusíllos, stantes in conspéctu throni; et libri apérti sunt. Et á-li-us liber apértus est, qui est vitæ; et iudicá-ti sunt mórtu-i ex his, quæ scripta erant in libris, secúndum ópera ipsórum. Et dedit mare mórtu-os, qui in e-o erant, et mors et inférnus dedérunt mórtu-os, qui in ipsis erant; et iudicá-ti



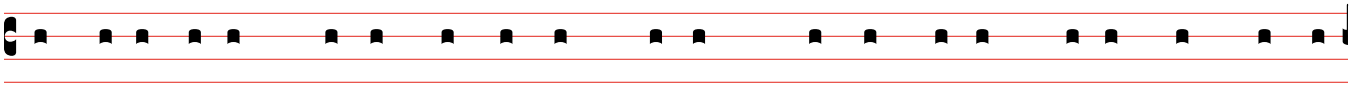
sunt síngu-li secúndum ópera ipsórum. Et mors et inférnus missi sunt



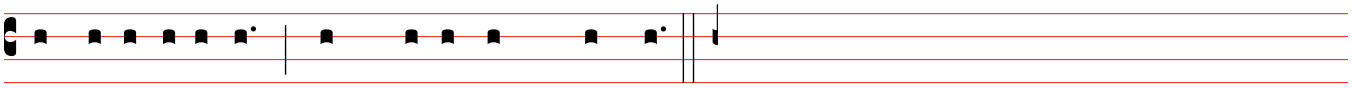
in stagnum ignis. Hæc mors secúnda est, stagnum ignis. Et si quis



non est invéntus in libro vitæ scriptus, missus est in stagnum ignis.



Et vidi cælum novum et terram novam; primum enim cælum et prima



terra abi-érunt, et mare iam non est.
