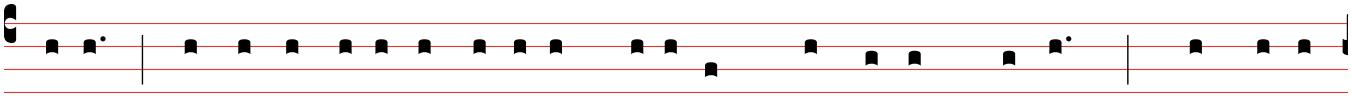
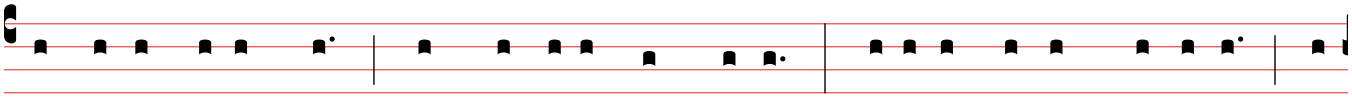
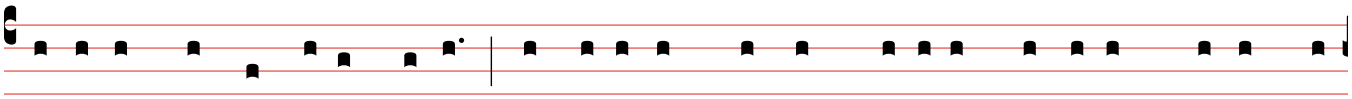
Tonus Antiquior



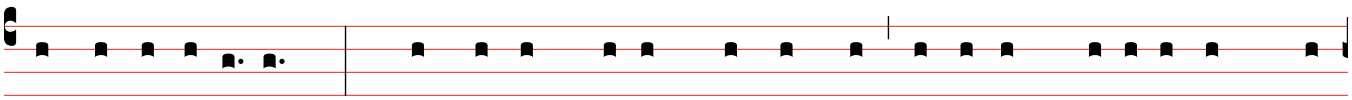
David, no- li timére accípere Marí- am cóniugem tu- am; quod enim



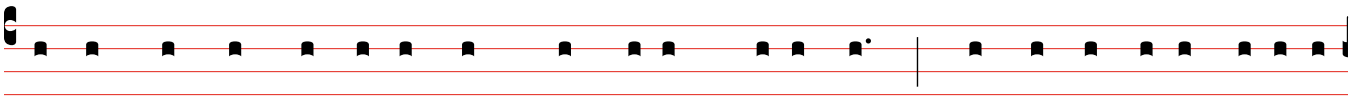
in e- a natum est, de Spí- ritu Sancto est. Pári- et autem fí- li- um, et



vocábis nomen eius Iesum: ipse enim salvum fáci-et pópulum su-um a

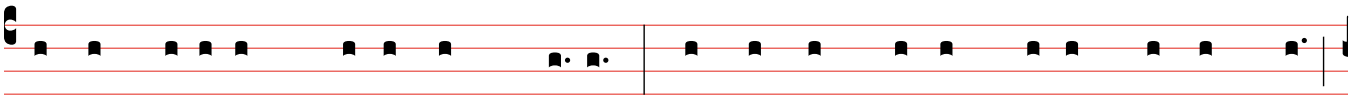


peccá-tis e-órum ». Hoc autem totum factum est ut adimplerétur id quod

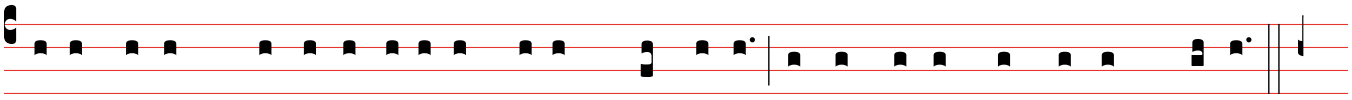


dictum est a Dómino per Prophétam dicéntem: « Ecce virgo in útero

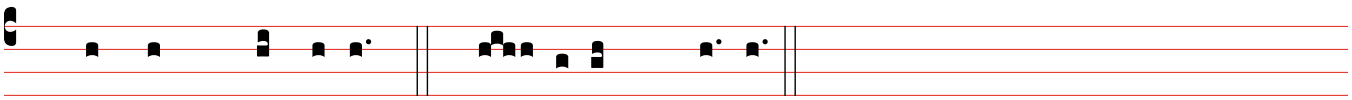
habébit et pári-et fí-li-um, et vocábunt nomen eius Emmánu-el, quod est



interpretátum Nobíscum-De-us ». Exsúrgens autem Ioseph a somno,



fecit sicut præcépit e-i ángelus Dómini, et accépit cóniugem su-am.



℣. Verbum Dómini. ℟. Laus tibi, Christe.
