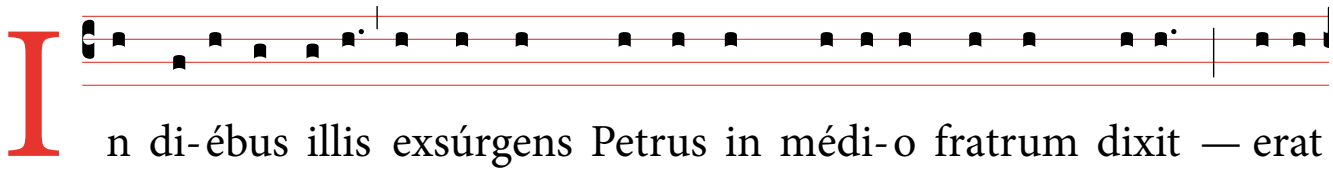
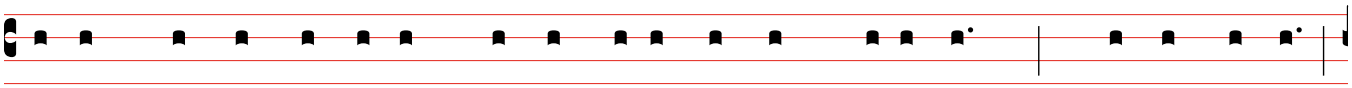
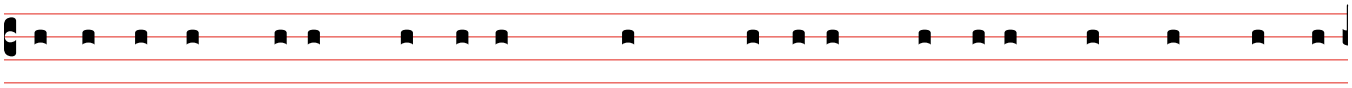
Lécti-o Actu-um Apostolórum



In di-ébus illis exsúrgens Petrus in médi-o fratrum dixit — erat

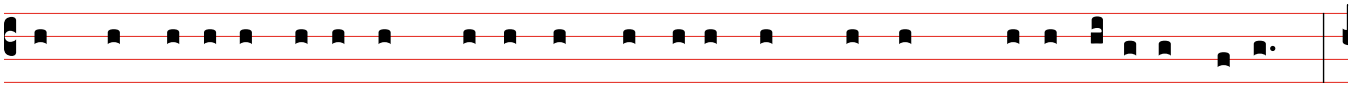


autem turba hóminum simul fere centum vigínti —: « Vi-ri fratres,



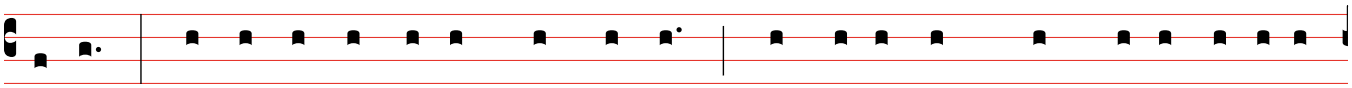
opórtet impléri Scriptúram quam prædíxit Spí-ritus Sanctus per os

David de Iuda qui fu-it dux e-órum qui comprehendérunt Iesum, qui-a

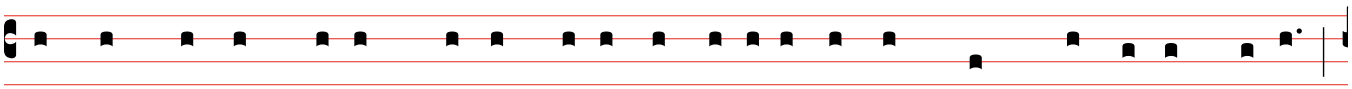


connumerátus erat in nobis et sortítus est sortem ministéri-i huius.

Scriptum est enim in libro Psalmórum: “ Episcopátum eius accípi-at



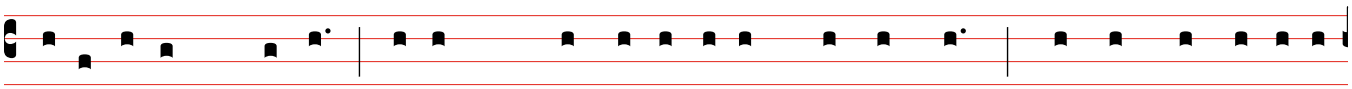
alter ”. Opórtet ergo ex his vi- ris, qui nobíscum congregá- ti erant



in omni témpore quo intrávit et exívit inter nos Dóminus Iesus,

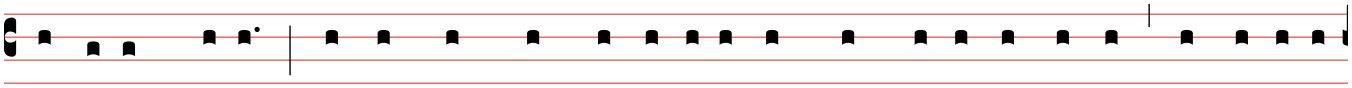
incípi- ens a baptísmate Io- ánnis usque in di- em qua assúmptus est

a nobis, testem resurrecti-ónis eius nobíscum fí-eri unum ex istis ». Et



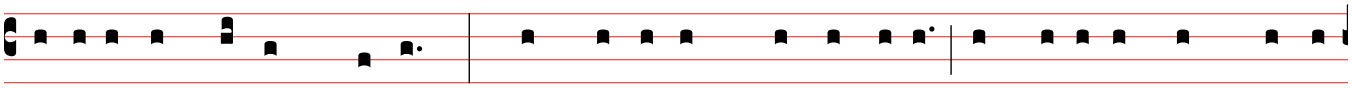
statu- érunt du- os, Ioseph qui vocabátur Barsábbas, qui cognominátus

est Iustus, et Matthí-am. Et oránte dixérunt: « Tu, Dómine, qui corda

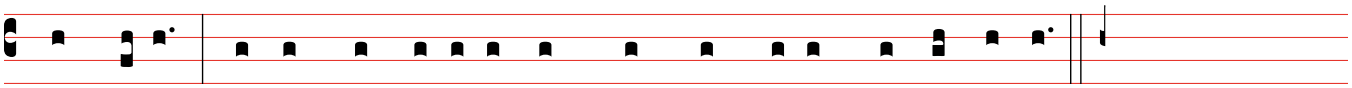


nosti ómni-um, osténde quem e-légeris ex his du-óbus unum accípere

locum ministéri-i huius et apostolátus, de quo prævaricátus est Iudas ut



abíret in locum su- um ». Et dedérunt sortes e-is, et cécidit sors super



Matthí-am, et annumerátus est cum úndecim Apósto-lis.
