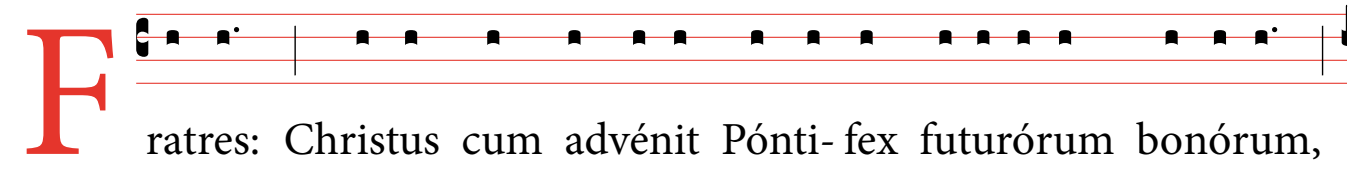
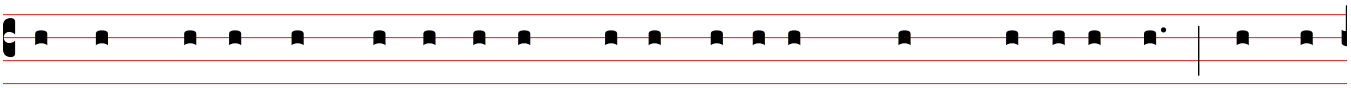
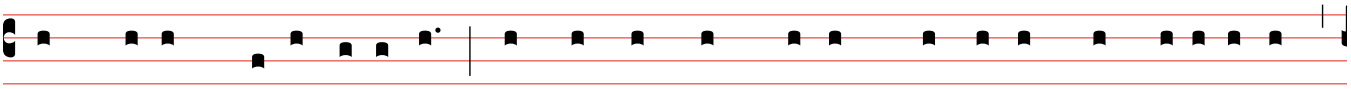
Lécti-o Epístolæ ad Hebræ-os



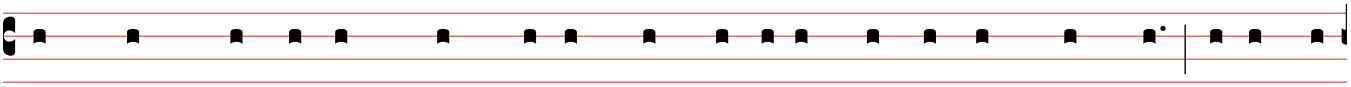
Fratres: Christus cum advénit Pónti- fex futurórum bonórum,



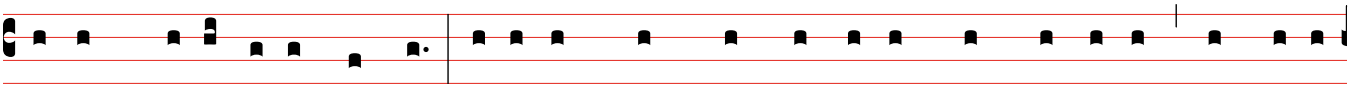
per ámpli- us et perfécti- us Tabernáculum non manufáctum, id est



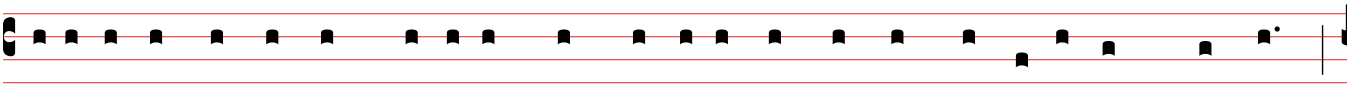
non huius cre-a-ti-ónis, neque per sánguinem hircórum et vitulórum



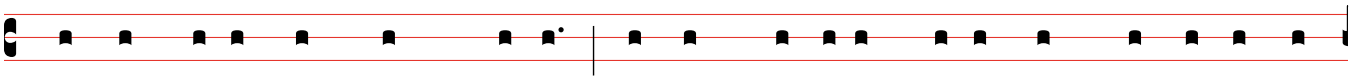
sed per própri- um sánguinem intro- ívit semel in Sancta, ætérna



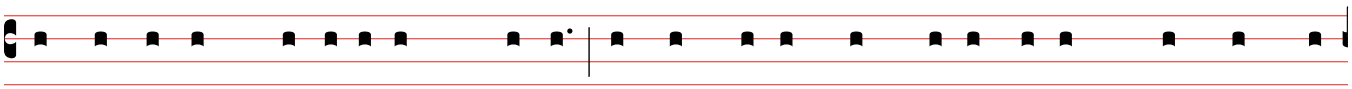
redempti-óne invénta. Si enim sanguis hircórum et taurórum et cinis



vítulæ aspérsus inquinátos sanctí- ficat ad emunda- ti- ónem carnis,

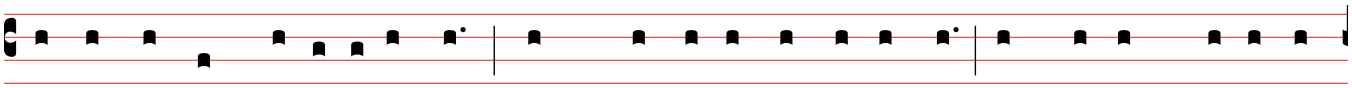


quanto magis sanguis Christi, qui per Spí-ritum ætérnum semet-ípsum

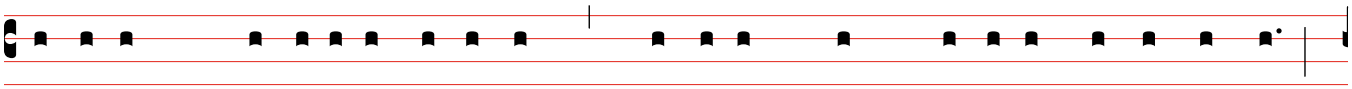


óbtu-lit immaculátum De-o, emundábit consci-énti-am nostram ab

opéribus mórtu-is ad servi-éndum De-o vivénti. Et ide-o Novi

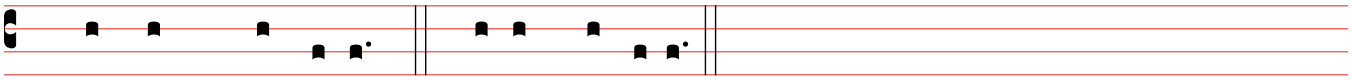


Testaménti Medi-átor est, ut, morte intercedénte, in redempti-ónem



e-árum prævarica-ti-ónum quæ erant sub pri-óre Testaménto,

repromissi-ónem accípi-ant qui vocá-ti sunt ætérnæ heredi-tá-tis.



℣. Verbum Dómini. ℟. De-o grá-ti-as.
