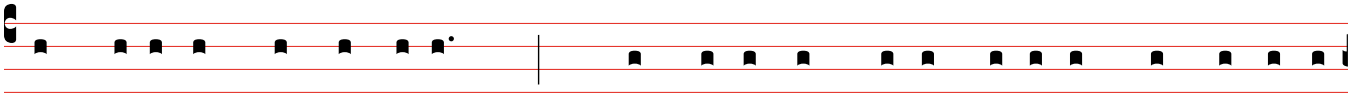
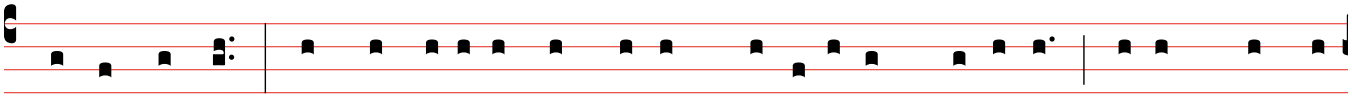
Cum transísset sábbatum, Marí-a Magdaléne et Marí-a Iacóbi

et Salóme emérunt arómata ut veni-éntes úngerent Iesum. Et valde

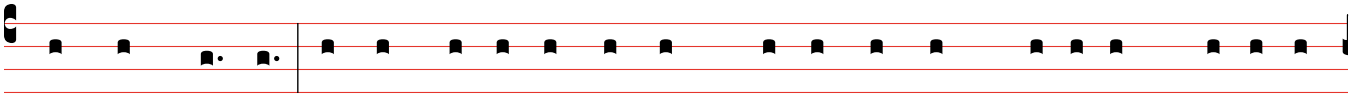
mane prima sabbatórum véni-unt ad monuméntum orto iam so-le.



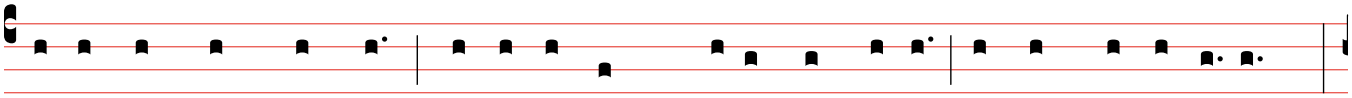
Et dicébant ad ínvicem: « ¿Quis revólvet nobis lápidem ab ósti-o



monuménti? » Et respici-éntes vident revolútum lápidem; erat quippe



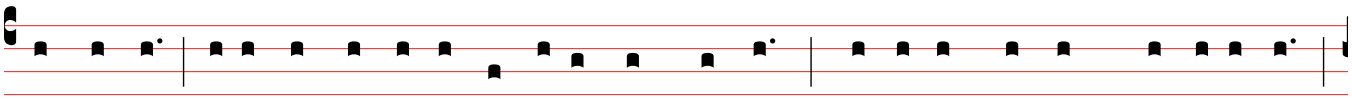
magnus valde. Et intro- e- úntes in monuméntum vidérunt iúvenem



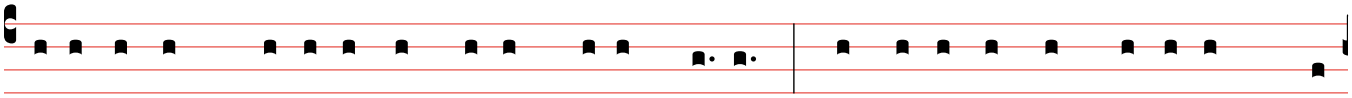
sedéntem in dextris, co- opértum stola cándida, et obstupu- érunt.

Qui dicit illis: « No- lí- te expavéscere; Iesum quæri- tis Nazarénum

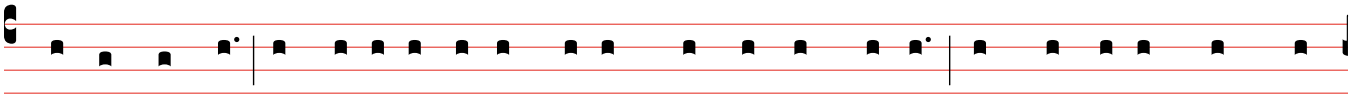
cruci- fíxum: surréxit, non est hic; ecce locus ubi posu- érunt e- um.



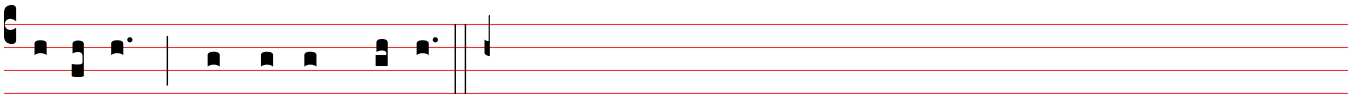
Sed i- te, díci- te discípu- lis eius et Petro: Præcédit vos in Ga- lilæ- am:



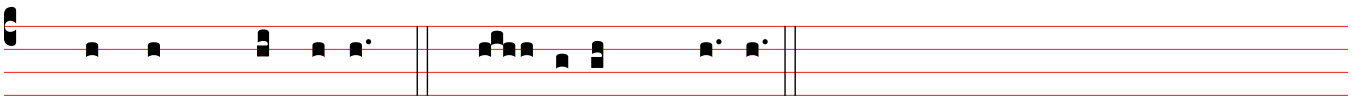
ibi e- um vidébi- tis sicut dixit vobis ». Et exe- úntes fugérunt de



monuménto, inváserat enim e- as tremor et pavor, et némini quicquam



dixérunt, timébant enim.



℣. Verbum Dómini. ℟. Laus tibi, Christe.
