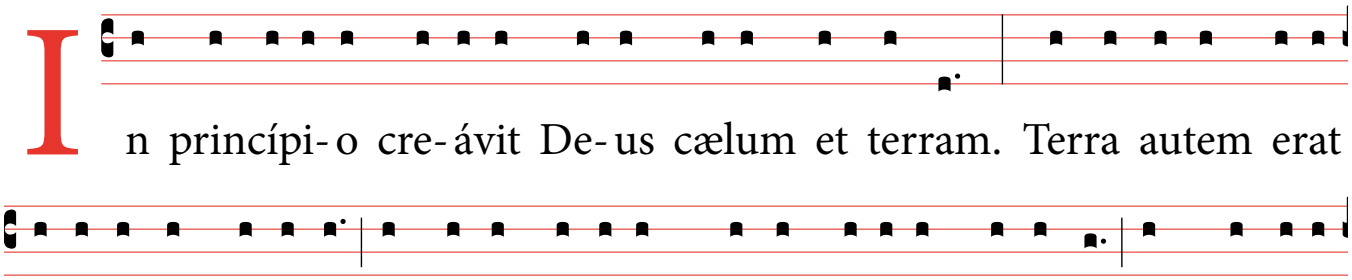
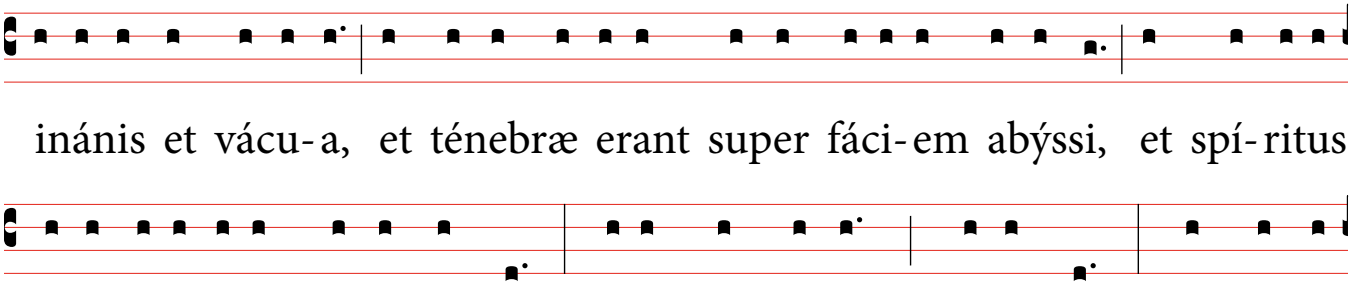
Reading I for Easter Vigil

Genesis 1:1–2:2

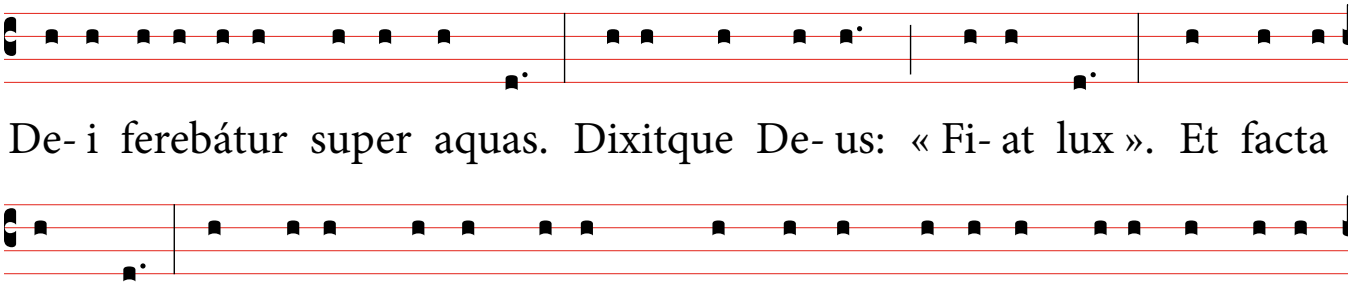
Lécti-o libri Génesis



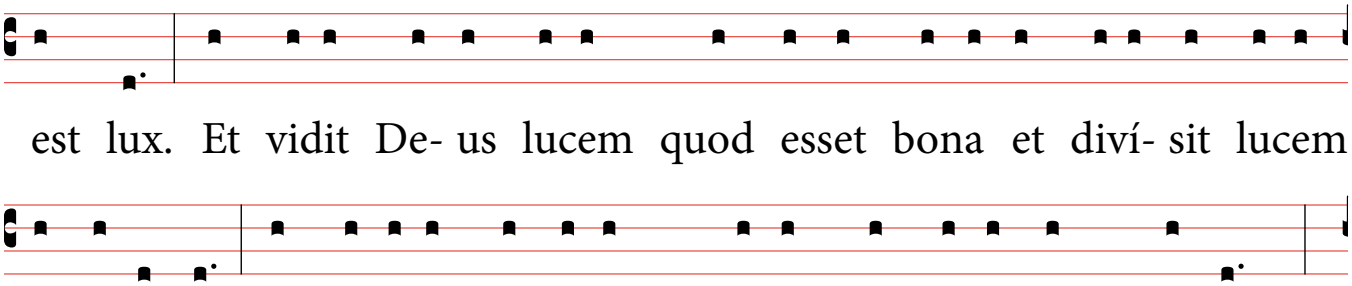
In princípi-o cre-ávit De-us cælum et terram. Terra autem erat



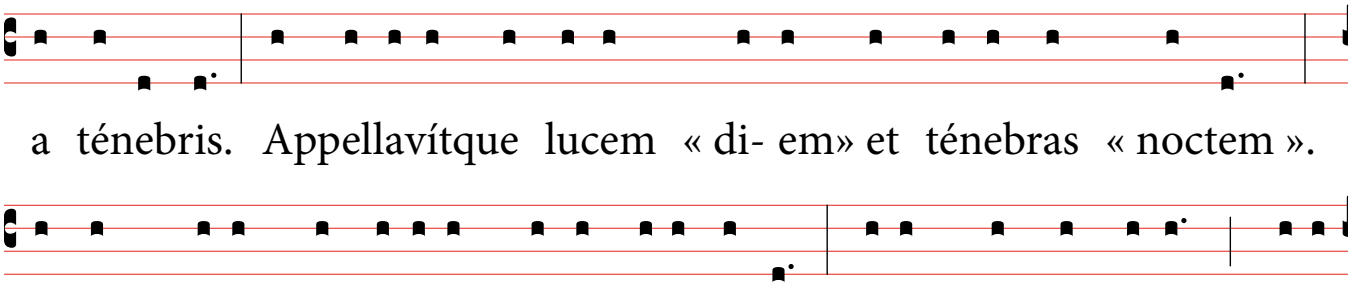
inánis et vácu-a, et ténebræ erant super fáci-em abýssi, et spí-ritus



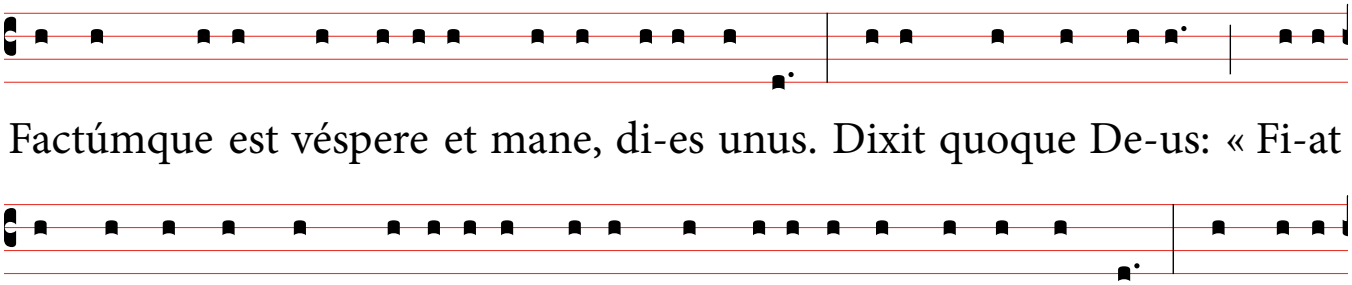
De-i ferebátur super aquas. Dixitque De-us: « Fi-at lux ». Et facta



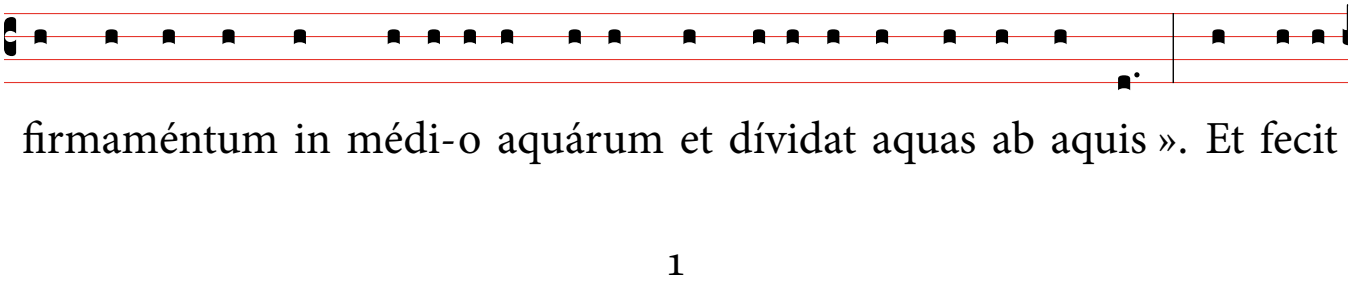
est lux. Et vidit De-us lucem quod esset bona et diví-sit lucem



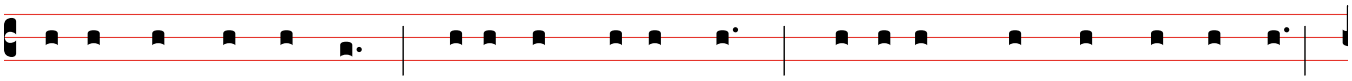
a ténebris. Appellavítque lucem « di-em» et ténebras « noctem ».



Factúmque est véspere et mane, di-es unus. Dixit quoque De-us: « Fi-at

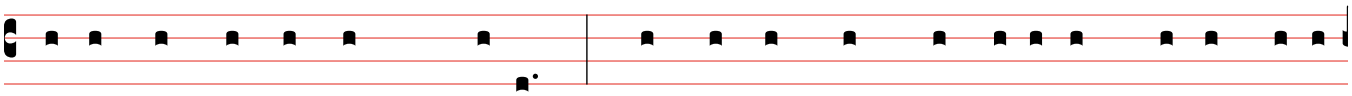


firmaméntum in médi-o aquárum et dívidat aquas ab aquis ». Et fecit

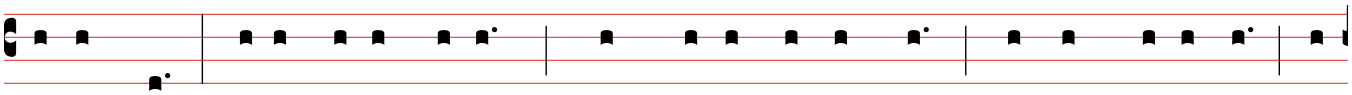


De- us firmaméntum, divi- sítque aquas, quæ erant sub firmaménto,

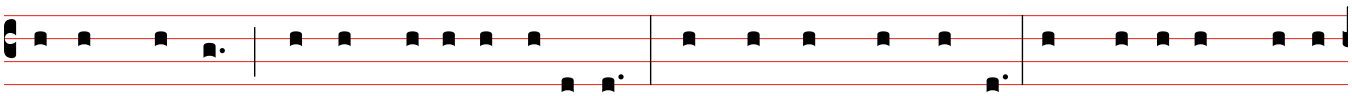
ab his quæ erant super firmaméntum. Et factum est i- ta. Vocavítque



De- us firmaméntum « cælum ». Et factum est véspere et mane, di- es

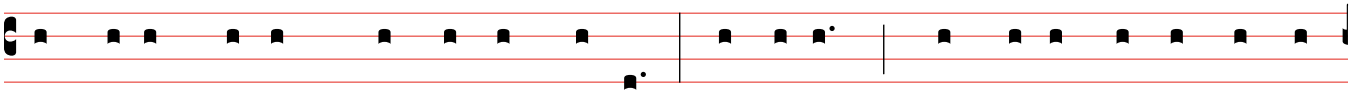


secúndus. Dixit vero De- us: « Congregéntur aquæ, quæ sub cælo sunt, in

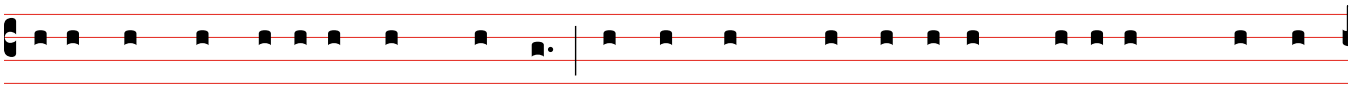


locum unum, et appáre- at árida ». Et factum est i- ta. Et vocávit De- us

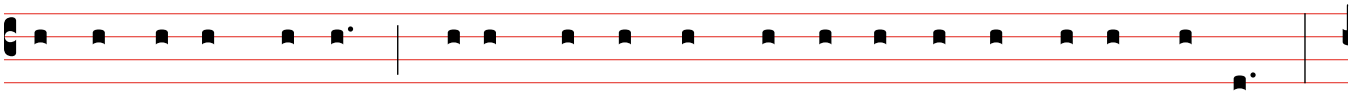
áridam « terram », congrega- ti- onésque aquárum appellávit « mári- a ».



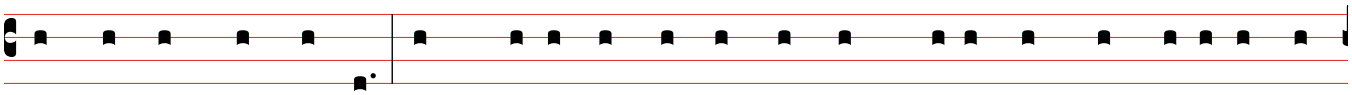
Et vidit De- us quod esset bonum. Et a- it: « Gérminet terra herbam



viréntem et faci- éntem semen, et lignum pomí- ferum fáci- ens fructum



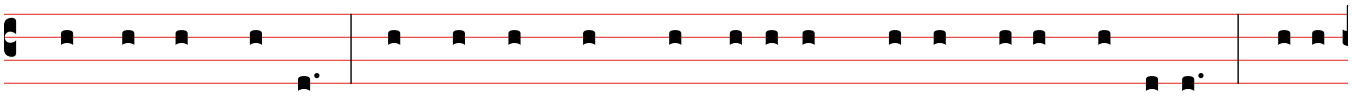
iuxta genus su- um, cuius semen in semet- ípso sit super terram ».



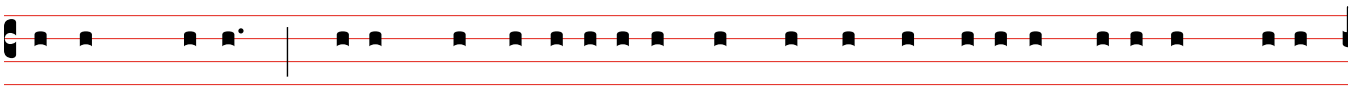
Et factum est i-ta. Et prótu-lit terra herbam viréntem et faci-éntem

semen iuxta genus su-um, lignúmque fáci-ens fructum et habens

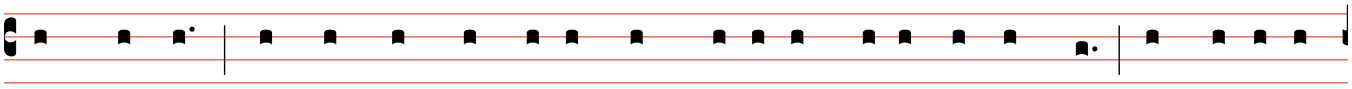
unumquódque seméntem secúndum spéci-em su-am. Et vidit De-us



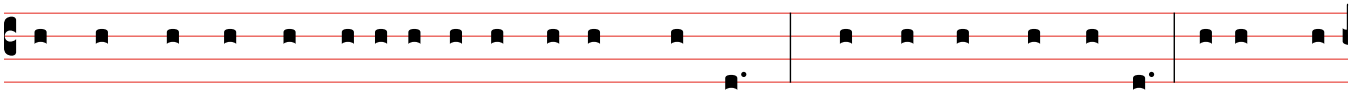
quod esset bonum. Et factum est véspere et mane, di-es térti-us. Dixit



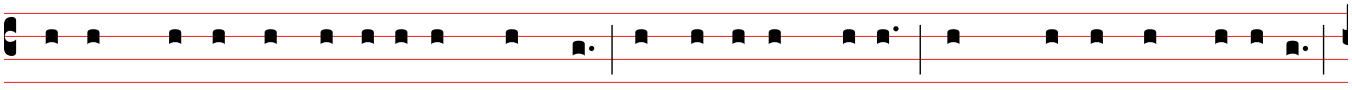
autem De-us: « Fi-ant luminári-a in firmaménto cæli et dívidant di-em



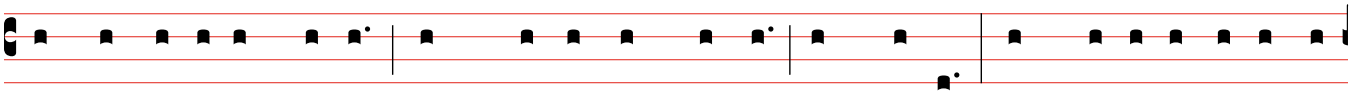
ac noctem; et sint in signa et témpora et di-es et annos, ut lúce-ant



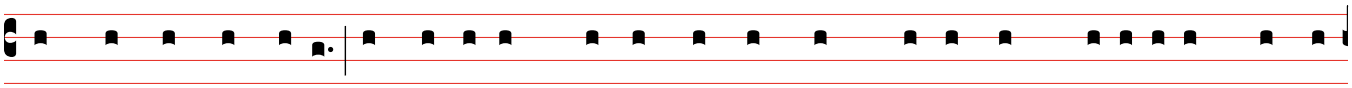
in firmaménto cæli et illúminent terram ». Et factum est i-ta. Fecítque



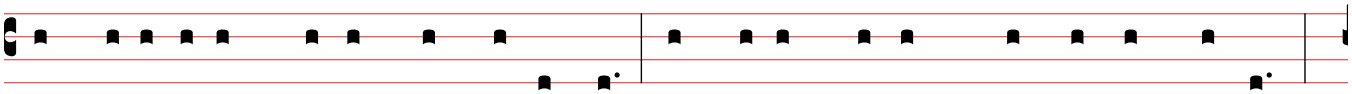
De-us du-o luminári-a magna: lumináre maius, ut præ-ésset di-é-i,



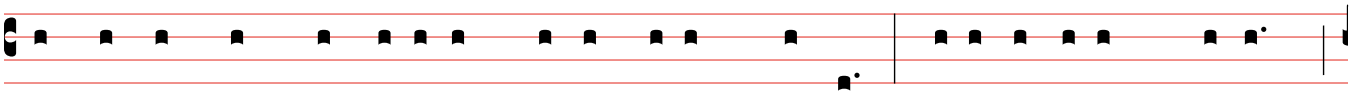
et lumináre minus, ut præ-ésset nocti, et stellas. Et pósu-it e-as in



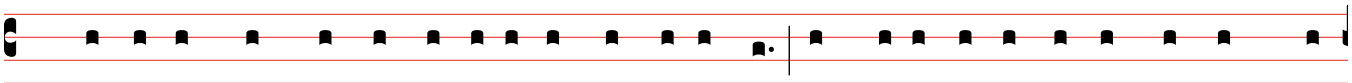
firmaménto cæli, ut lucérent super terram et præ-éssent di-é-i ac nocti



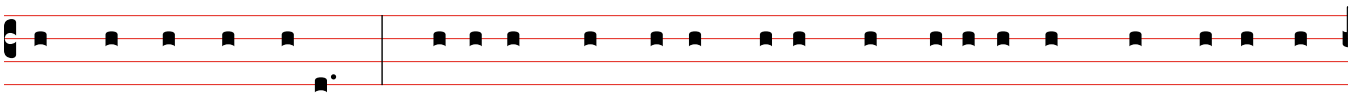
et divíderent lucem ac ténebras. Et vidit De-us quod esset bonum.



Et factum est véspere et mane, di-es quartus. Dixit ét-i-am De-us:

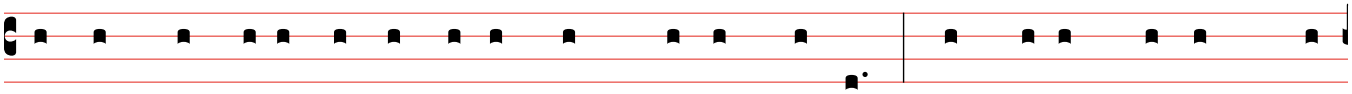


« Prodúcant aquæ répti-le ánimæ vivéntis, et volá-ti-le super terram sub

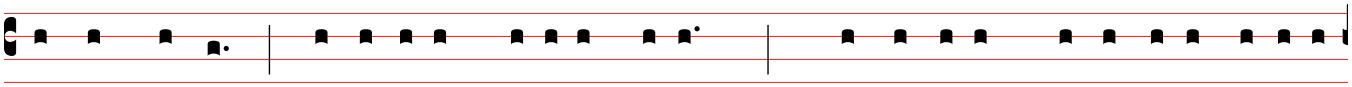


firmaménto cæli ». Cre-avítque De-us cete grándi-a et omnem ánimam

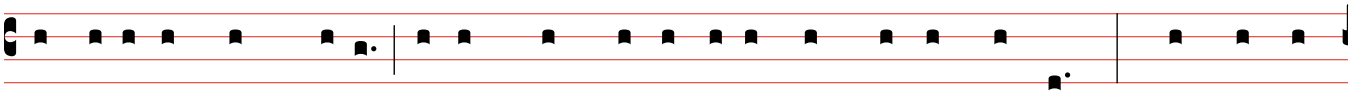
vivéntem atque motábi-lem, quam prodúxerant aquæ in spéci-es su-as,



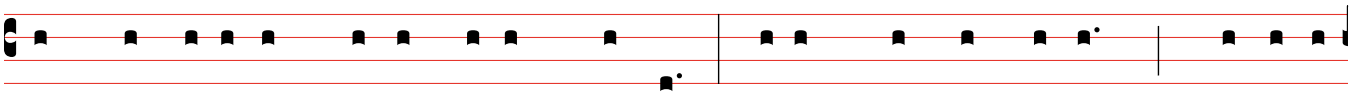
et omne volá- ti- le secúndum genus su- um. Et vidit De- us quod



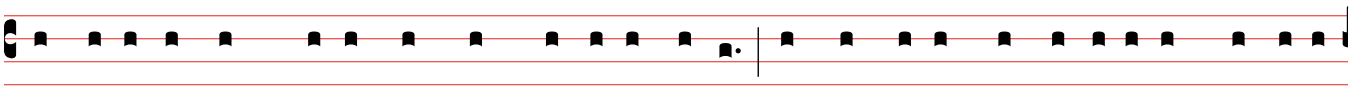
esset bonum, benedixítque e-is dicens: « Crésci-te et multiplicámini et



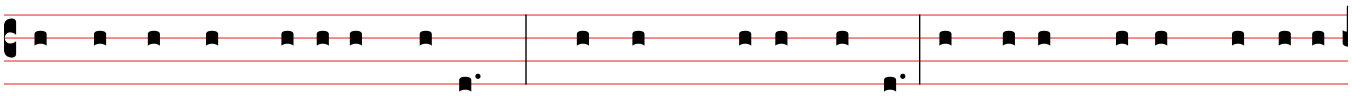
repléte aquas maris, avésque multiplicéntur super terram ». Et factum



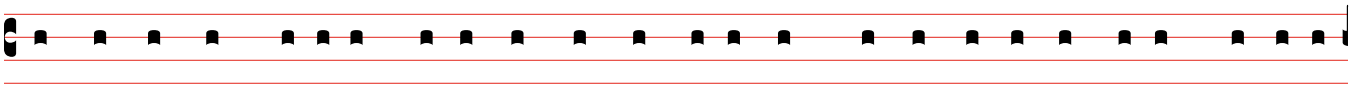
est véspere et mane, di-es quintus. Dixit quoque De-us: « Prodúcat



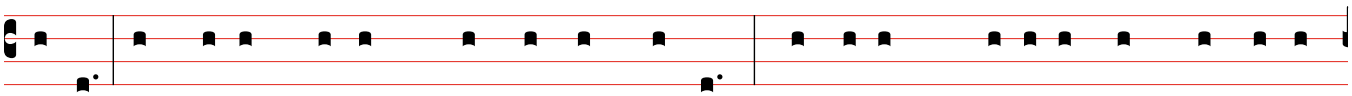
terra ánimam vivéntem in génere su-o, iuménta et reptí-li-a et bésti-as



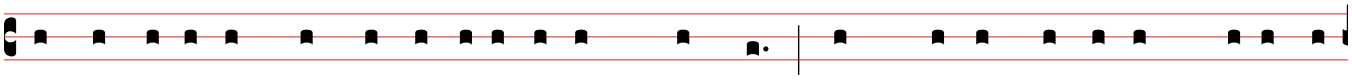
terræ iuxta spéci-es su-as ». Factúmque est i-ta. Et fecit De-us bésti-as



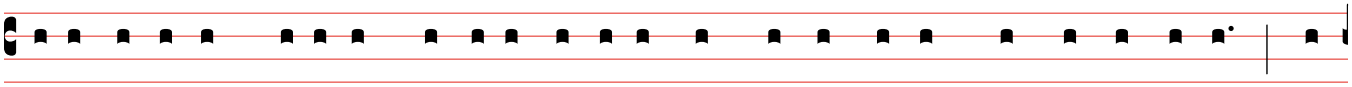
terræ iuxta spéci-es su-as et iuménta et omne répti-le terræ in génere



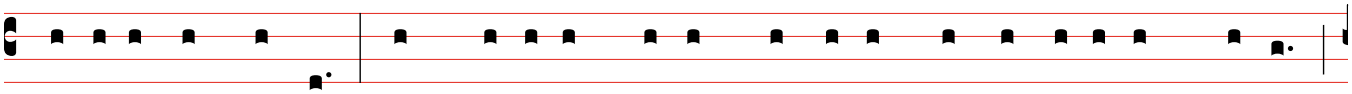
su-o. Et vidit De-us quod esset bonum. Et a-it: « Faci-ámus hóminem



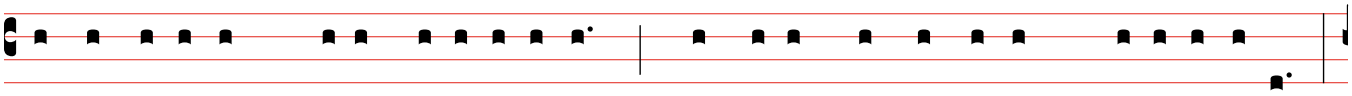
ad imáginem et simi-litúdinem nostram; et præ'sit píscibus maris et



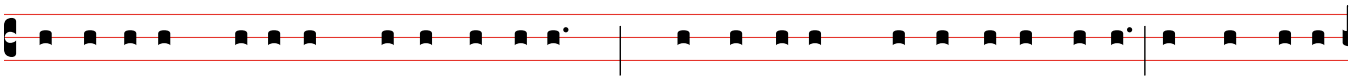
vola-tí-libus cæli et bésti-is universǽque terræ omníque répti-li, quod



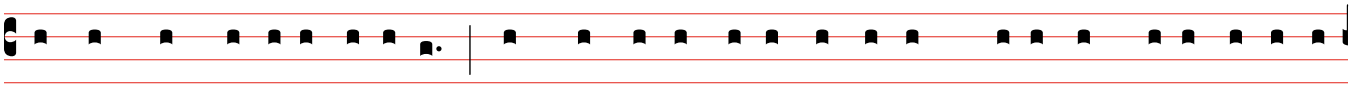
movétur in terra ». Et cre-ávit De-us hóminem ad imáginem su-am;



ad imáginem De-i cre-ávit illum: másculum et féminam cre-ávit e-os.

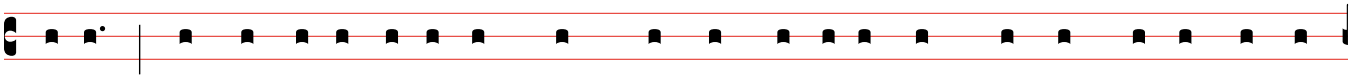


Benedixítque illis De-us et a-it: « Crésci-te et multiplicámini, et repléte



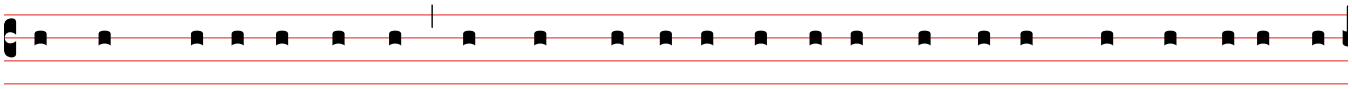
terram et subíci-te e-am; et dominámini píscibus maris et vola-tí-libus

cæli et univérsis animántibus, quæ movéntur super terram ». Dixítque

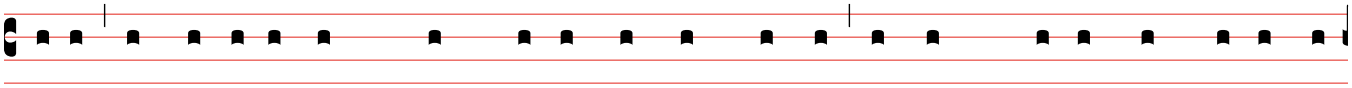


De-us: « Ecce dedi vobis omnem herbam afferéntem semen super terram

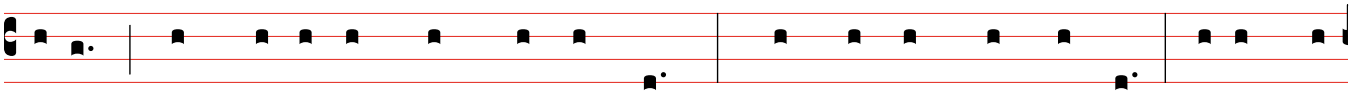
et univérsa ligna, quæ habent in semet-ípsis seméntem géneris su-i,



ut sint vobis in escam et cunctis animántibus terræ omníque vólucri

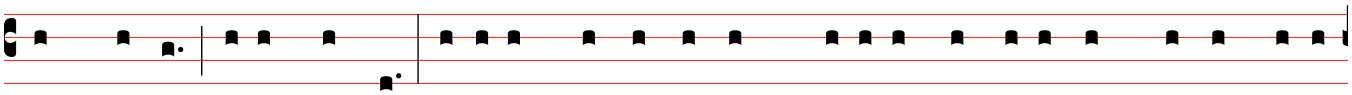


cæli et univérsis quæ movéntur in terra et in quibus est ánima

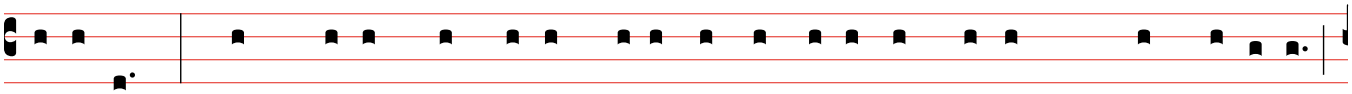


vivens, ut hábe- ant ad vescéndum ». Et factum est i- ta. Vidítque

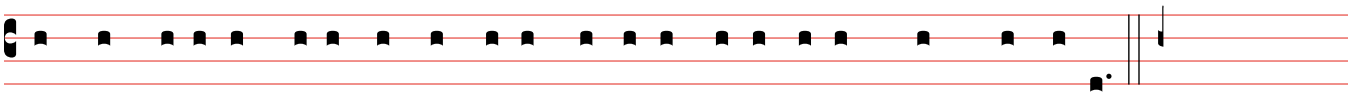
De-us cuncta quæ fécerat, et erant valde bona. Et factum est véspere



et mane, di-es sextus. Igitur perfécti sunt cæli et terra et omnis ornátus



e-órum. Complevítque De-us di-e séptimo opus su-um, quod fécerat,



et requi-évit di-e séptimo ab univérso ópere quod patrárat.

℣. Verbum Dómini. ℟. De-o grá-ti-as.
