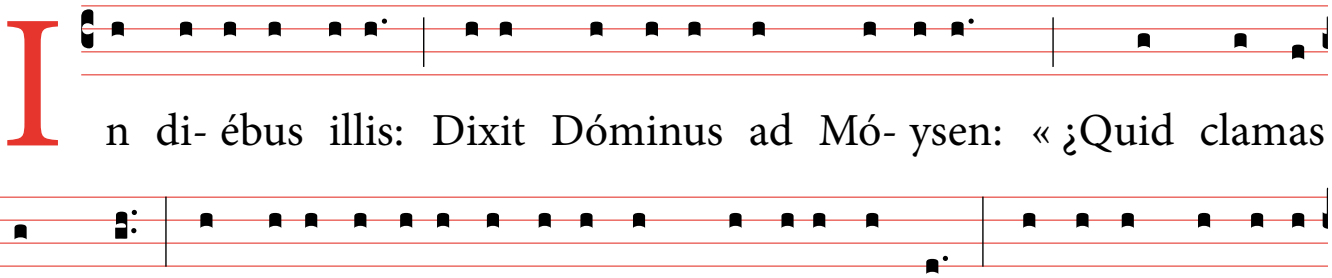
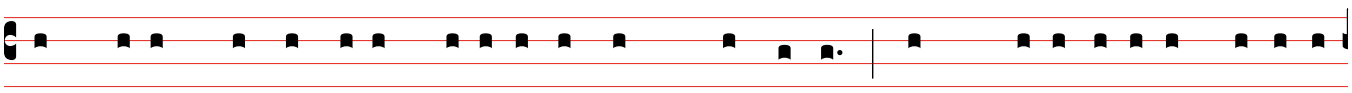
Reading III for Easter Vigil

Exodus 14:15–15:1

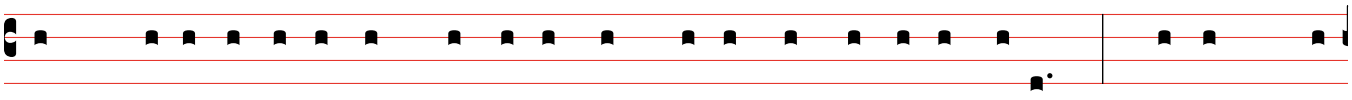
Lécti-o libri Exodi



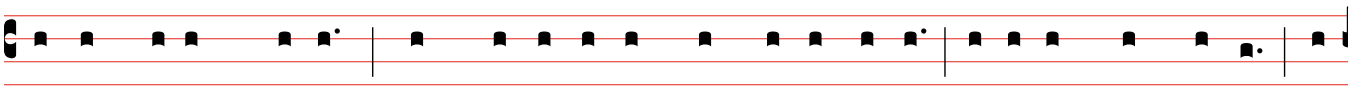
In di- ébus illis: Dixit Dóminus ad Mó- ysen: « ¿Quid clamas ad me? Lóquere fí- li- is Isra- el ut pro- ficiscántur. Tu autem é- leva virgam tu- am, et exténde manum tu- am super mare, et divide illud, ut gradi- ántur fí- li- i Isra- el in médi- o mari per siccum. Ego autem indurábo cor Ægypti- órum ut persequántur vos; et glori- ficábor in Phara-óne et in omni exércitu eius et in cúrribus et in equí-tibus illí-us.



Et sci-ent Ægýpti-i qui-a ego sum Dóminus, cum glori-ficátus fú-ero

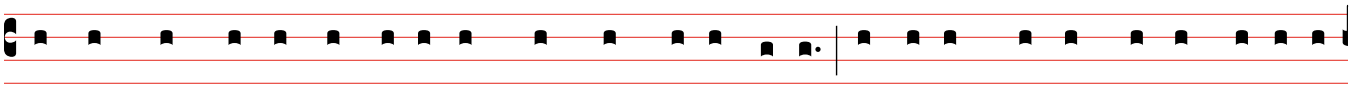


in Phara- óne et in cúrribus atque in equí- tibus eius ». Tollénsque

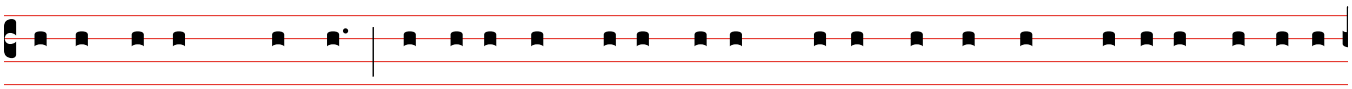


se Angelus De- i, qui præcedébat castra Isra- el, ábi- it post e- os; et

cum e- o pári- ter colúmna nubis pri- óra dimíttens post tergum, ste- tit

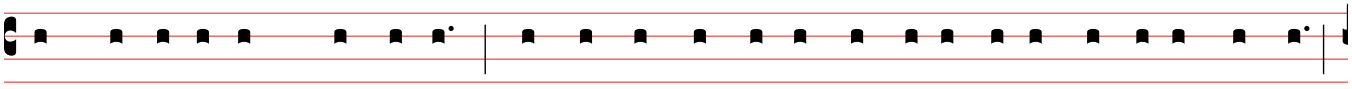


inter castra Ægypti- órum et castra Isra- el; et erat nubes tenebrósa et

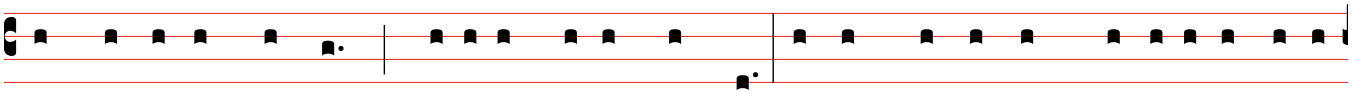


illúminans noctem, i- ta ut ad se ínvicem toto noctis témpore accédere

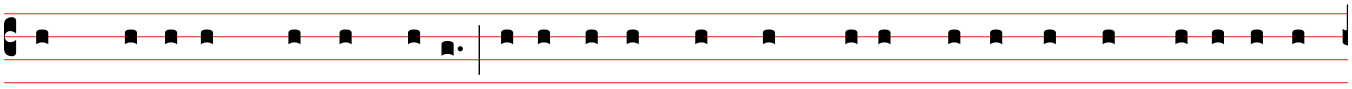
non valérent. Cumque extendísset Mó- yses manum super mare,



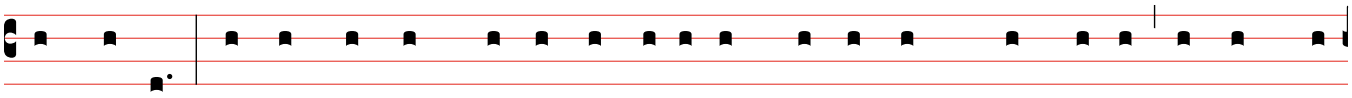
ábstu- lit illud Dóminus, flante vento veheménti et urénte tota nocte,



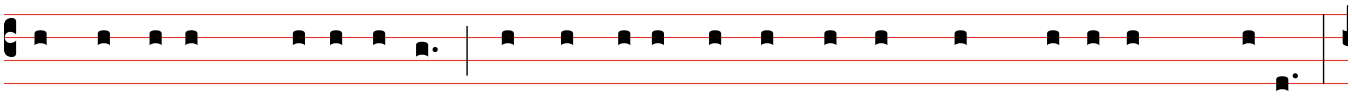
et vertit in siccum; divisáque est aqua. Et ingressi sunt fí- li- i Isra- el



per médi- um sicci maris; erat enim aqua quasi murus a dextra e- órum

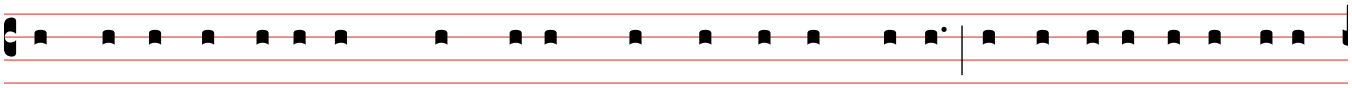


et læva. Persequentésque Ægýpti-i ingréssi sunt post e-os et omnis

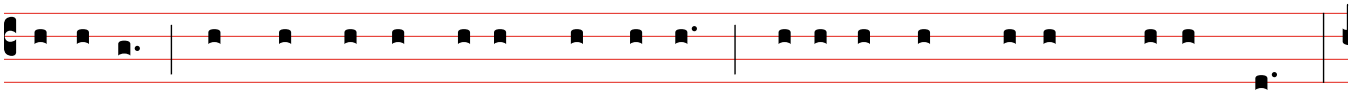


equi-tátus Phara-ónis, currus eius et équi-tes per médi-um maris.

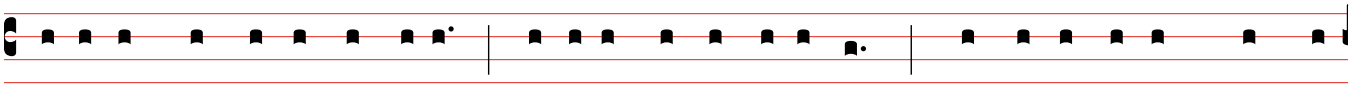
Iamque advénerat vigí-li-a matutína, et ecce respíci-ens Dóminus super



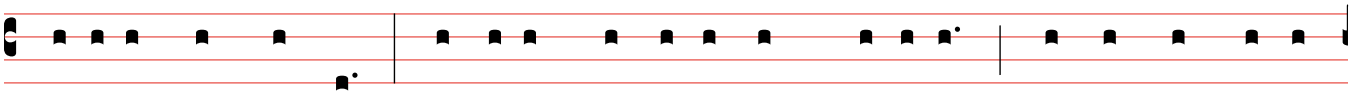
castra Ægypti-órum per colúmnam ignis et nubis, interfécit exércitum



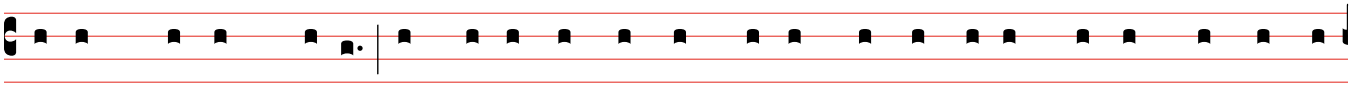
e-órum; et subvértit rotas cúrru-um, ferebantúrque in profúndum.



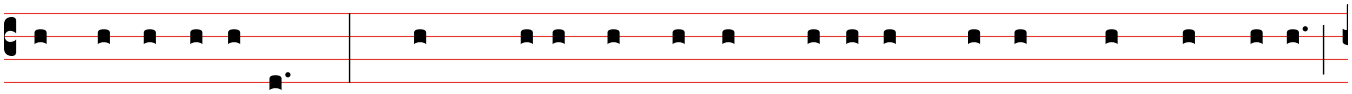
Dixérunt ergo Ægýpti-i: « Fugi-ámus Isra-é-lem; Dóminus enim pugnat



pro e-is contra nos ». Et a-it Dóminus ad Mó-ysen: « Exténde manum



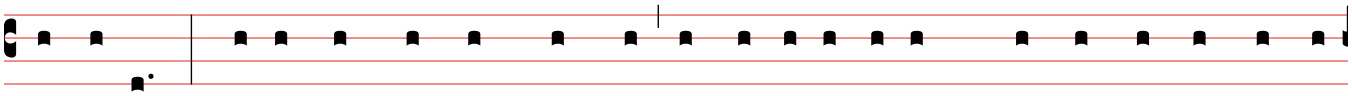
tu-am super mare, ut revertántur aquæ ad Ægýpti-os super currus et



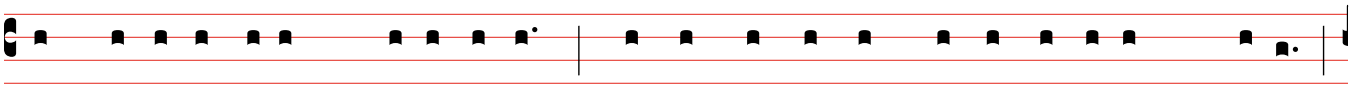
équi-tes e-órum ». Cumque extendísset Mó-yses manum contra mare,

revérsum est primo di- lúculo ad pri- órem locum; fugi- entibúsque

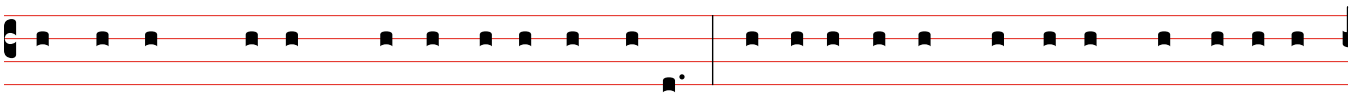
Ægýpti- is occurrérunt aquæ, et invólvit e- os Dóminus in médi- is



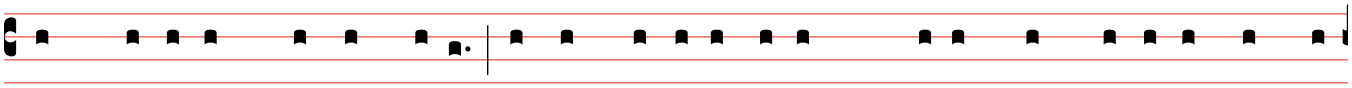
flúctibus. Reversǽque sunt aquæ et operu- érunt currus et équi- tes



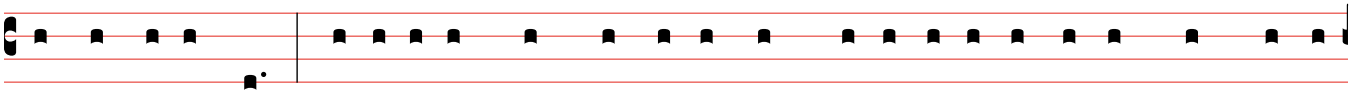
cuncti exércitus Phara- ónis, qui sequéntes ingréssi fú- erant mare;



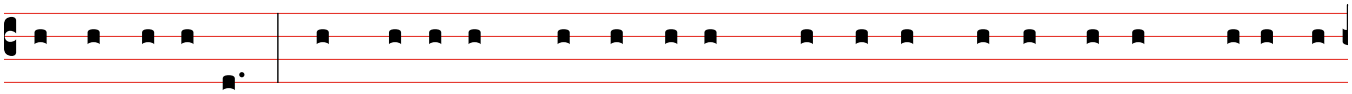
nec unus quidem supérfu- it ex e- is. Fí- li- i autem Isra- el perrexérunt



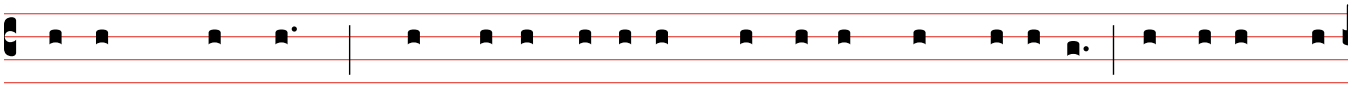
per médi- um sicci maris, et aquæ e- is erant quasi pro muro a dextris



et a sinístris. Liberavítque Dóminus in di- e illa Isra- el de manu

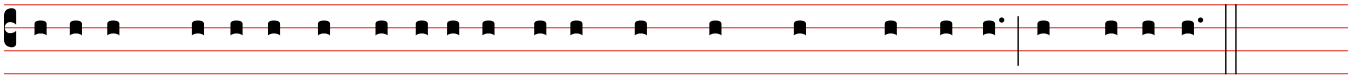


Ægypti- órum. Et vidérunt Ægýpti- os mórtu- os super littus maris et



manum magnam, quam exercú- erat Dóminus contra e- os; timu- ítque

pópulus Dóminum, et credidérunt Dómino et Mó-ysi servo eius. Tunc



cécinit Mó-yses et fí-li-i Isra-el carmen hoc Dómino, et dixérunt:
