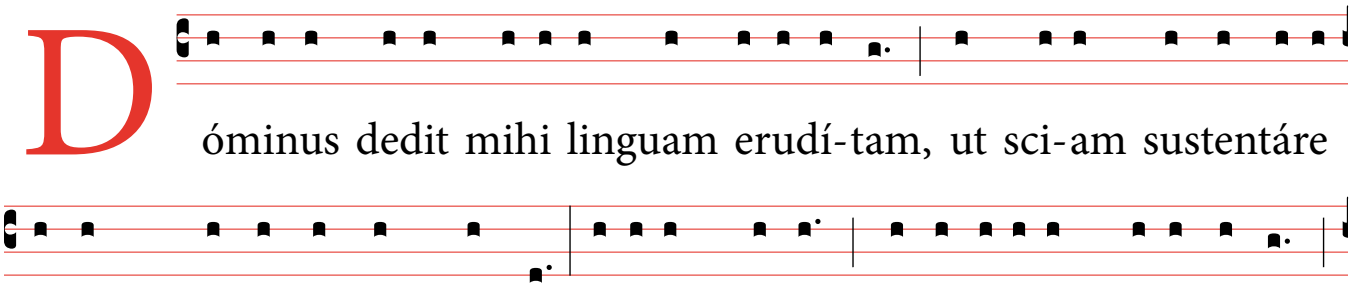
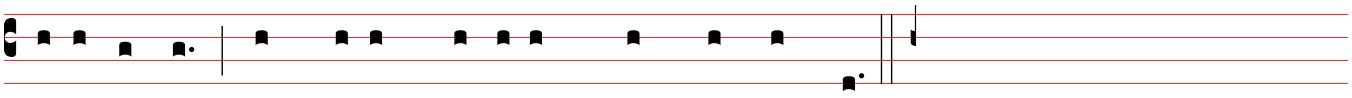
Isaiah 50:4–7

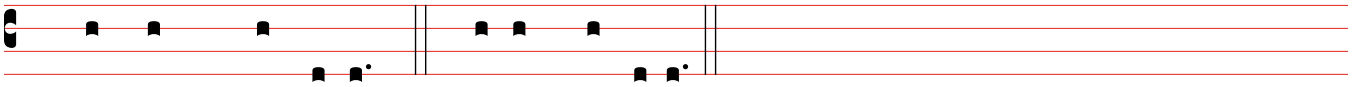
Lécti-o libri Isaí-æ prophétæ



Dóminus dedit mihi linguam erudí-tam, ut sci-am sustentáre e- um qui lassus est verbo. Erigit mane, mane érigit mihi aurem, ut áudi-am quasi magístrum. Dóminus De-us apéru-it mihi aurem. Ego autem non contradíco; retrórsum non ábi-i. Corpus me-um dedi percuti-éntibus et genas me-as velléntibus; fáci-em me-am non avérti ab increpántibus et conspu-éntibus in me. Dóminus De-us auxi-li-átor me-us, íde-o non sum confúsus. Ide-o pósu-i fáci-em me-am ut petram



duríssimam, et sci-o quóni-am non confúndar.



℣. Verbum Dómini. ℟. De-o grá-ti-as.
