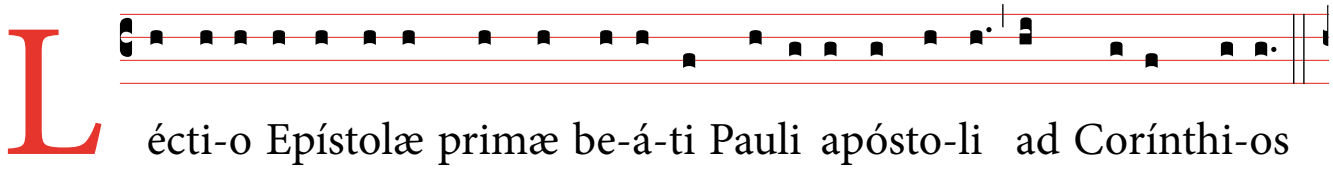
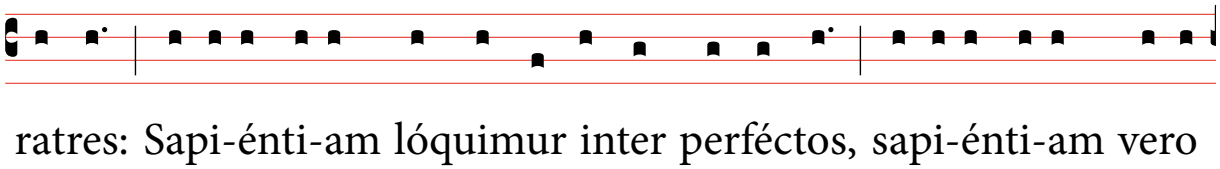
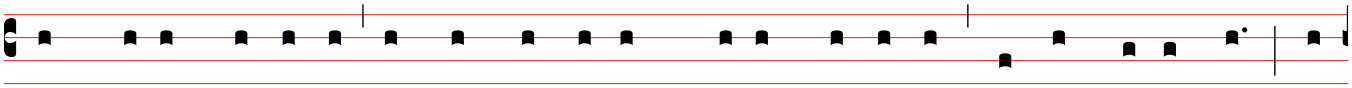
1 Corinthians 2:6–10



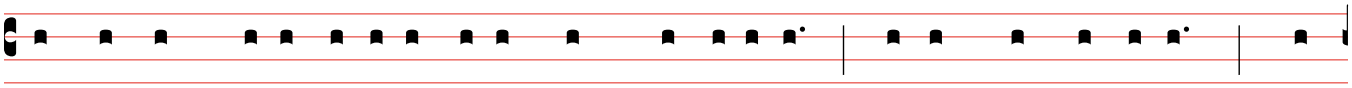
Lécti-o Epístolæ primæ be-á-ti Pauli apósto-li ad Corínthi-os



Fratres: Sapi-énti-am lóquimur inter perféctos, sapi-énti-am vero

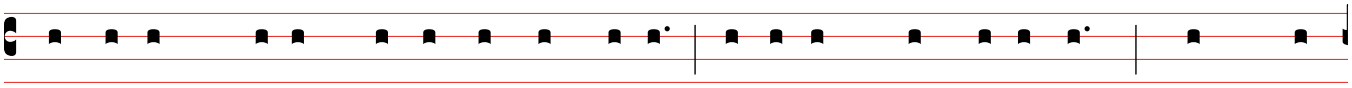


non huius sǽcu-li neque príncipum huius sǽcu-li qui destru-úntur, sed



lóquimur De-i sapi-énti-am in mystéri-o, quæ abscóndi-ta est, quam

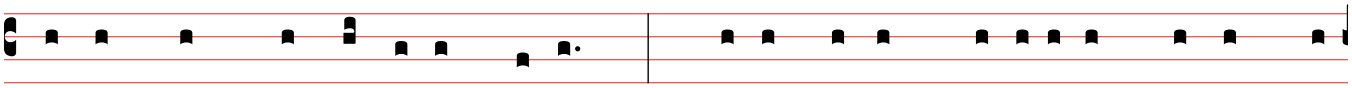
prædestinávit De-us ante sǽcula in glóri-am nostram; quam nemo



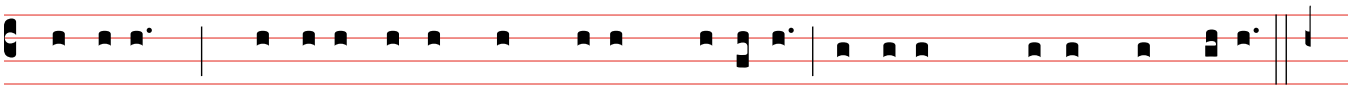
príncipum huius sǽcu-li cognóvit; si enim cognovíssent, numquam

Dóminum glóri-æ cruci-fixíssent. Sed sicut scriptum est: « Quod óculus

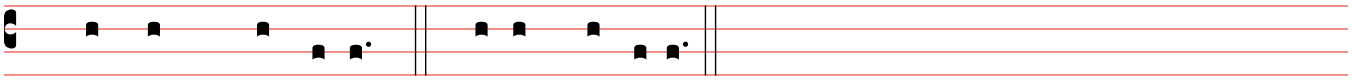
non vidit nec auris audívit, nec in cor hóminis ascéndit, quæ præparávit



De- us his qui dí- ligunt illum ». Nobis autem revelávit De- us per



Spí-ritum: Spí-ritus enim ómni-a scrutátur, et-i-am profúnda De-i.



℣. Verbum Dómini. ℟. De-o grá-ti-as.
