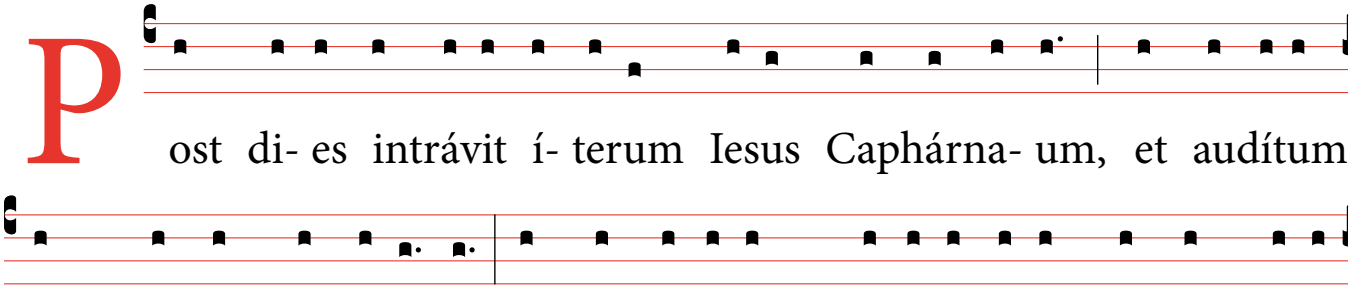
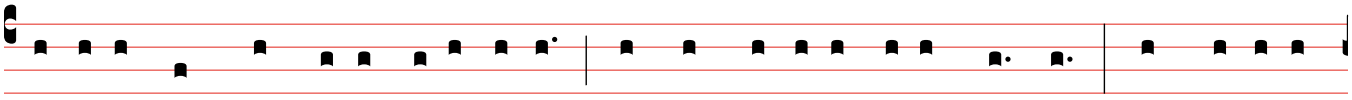
Dóminus vobíscum. ℟. Et cum spí-ritu tu-o. ℣. Lécti-o sancti

Evangé-li-i secúndum Marcum. ℟. Glóri-a tibi, Dómine.

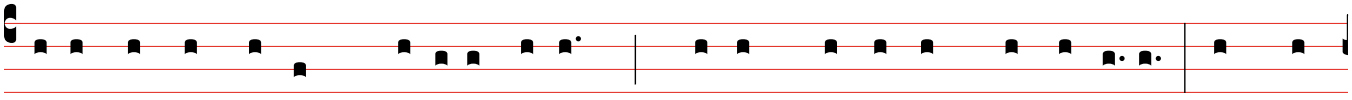


Post di- es intrávit í- terum Iesus Caphárna- um, et audítum

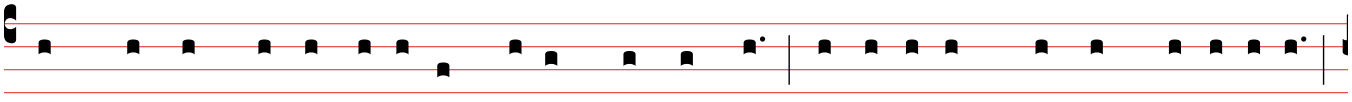
est quod in domo esset. Et convenérunt multi i- ta ut non ámpli- us



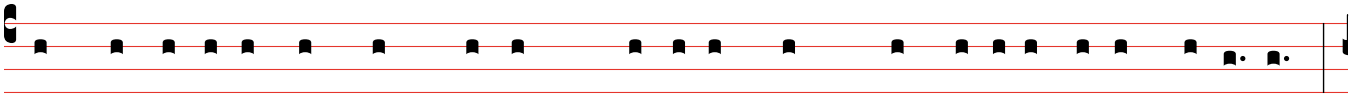
caperéntur neque ad í- anu- am, et loquebátur e- is verbum. Et véni- unt



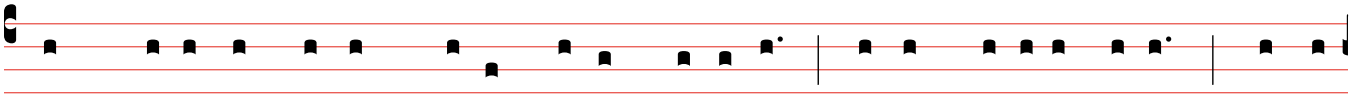
feréntes ad e- um paralý- ticum, qui a quáttu- or portabátur. Et cum



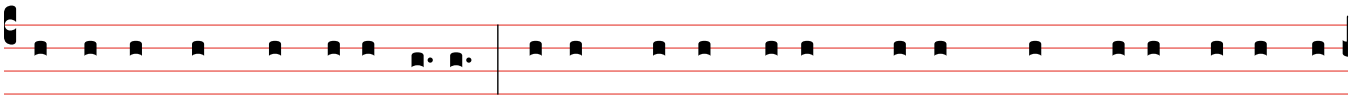
non possent offérre e- um illi præ turba, nudavérunt tectum ubi erat,



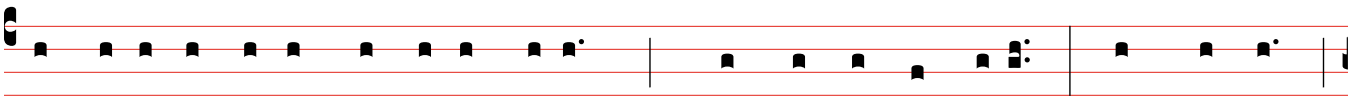
et perfodi- éntes summíttunt grabátum in quo paralý- ticus iacébat.



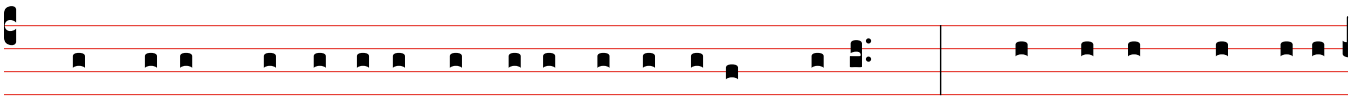
Cum vidísset autem Iesus fidem illórum, a- it paralý- tico: « Fi- li



dimittúntur peccáta tu-a ». Erant autem illic quidam de scribis sedéntes

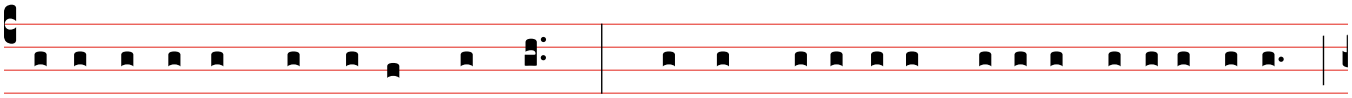


et cogi-tántes in córdibus su-is: « ¿Quid hic sic lóquitur? Blasphémat,

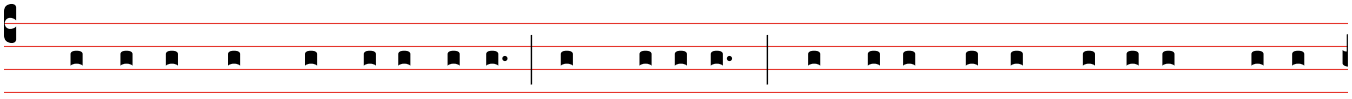


¿quis potest dimíttere peccáta ni-si solus De-us? » Quo sta-tim cógnito

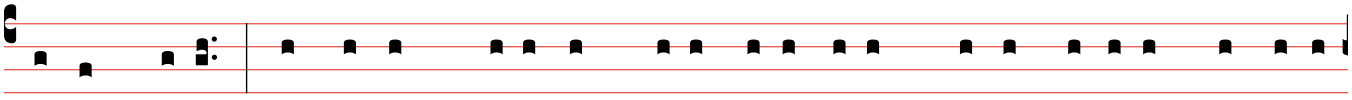
Iesus spí-ritu su-o qui-a sic cogi-tárent intra se, dicit illis: « ¿Quid ista



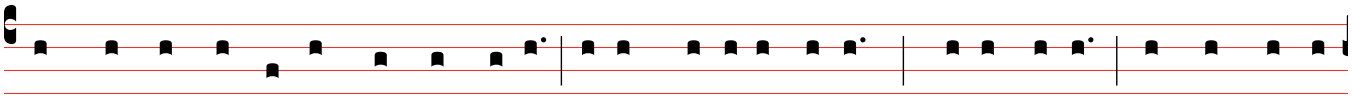
cogi-tá-tis in córdibus vestris? ¿Quid est fací-li-us dícere paralý-tico:



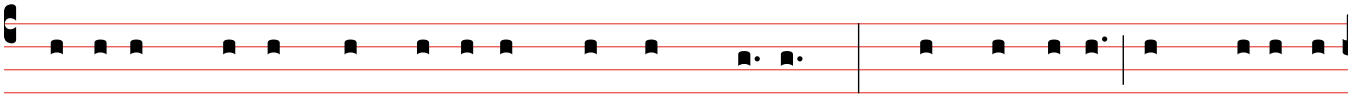
“ Dimittúntur peccáta tu-a ”, an dicere: “ Surge et tolle grabátum tu-um



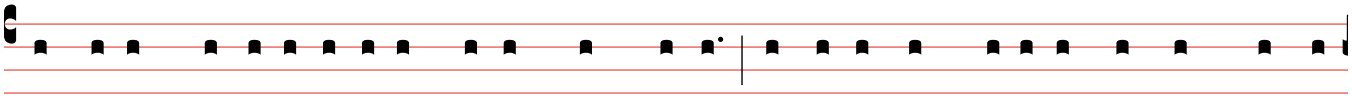
et ámbula ”? Ut autem sci-á-tis qui-a potestátem habet Fí-li-us hóminis



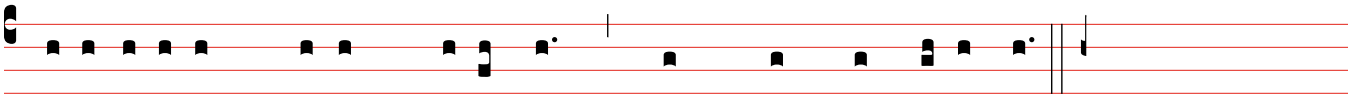
in terra dimitténdi peccáta, a-it paralý-tico: “ Tibi dico: Surge, tolle



grabátum tu-um et vade in domum tu-am ”». Et surréxit, et prótinus



subláto grabáto ábi-it coram ómnibus, i-ta ut admiraréntur omnes et



glori-ficárent De-um, dicéntes: « Numquam sic vídimus ».
