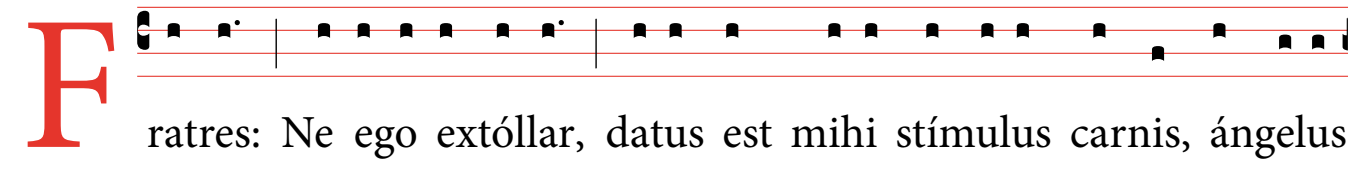
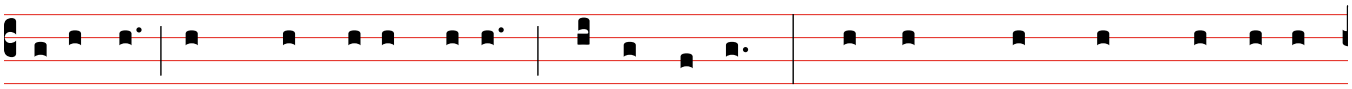
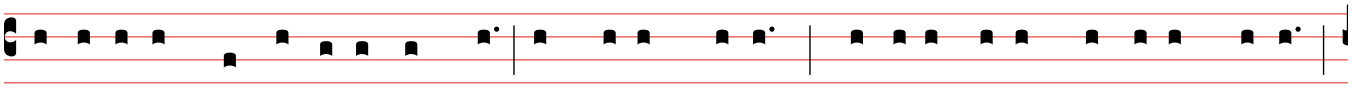
Lécti-o Epístolæ secúndæ be-áti Pauli apóstoli ad Corínthi-os



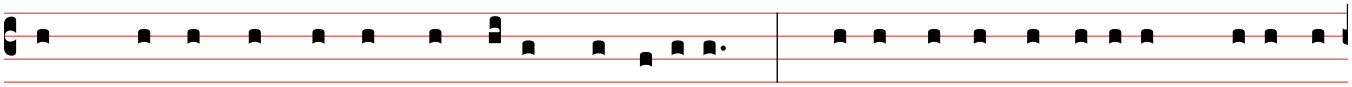
fratres: Ne ego extóllar, datus est mihi stímulus carnis, ángelus



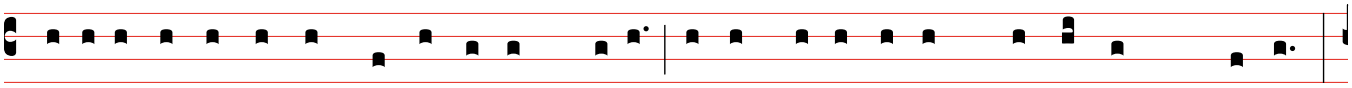
Sátanæ, ut me colaphízet, ne extóllar. Propter quod ter Dóminum



rogávi ut discéderet a me; et dixit mihi: « Súfficit tibi grá-ti-a me-a,

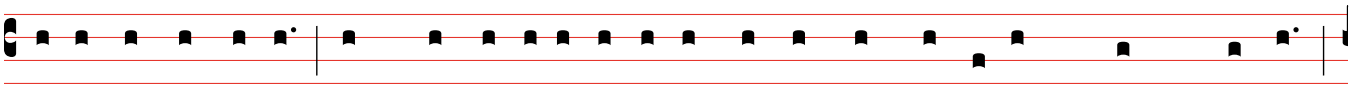


nam virtus in infirmi- táte perfícitur ». Libentíssime ígitur póti- us

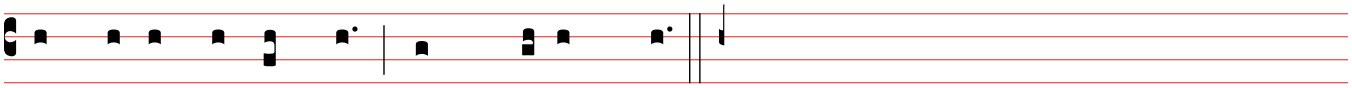


glori-ábor in infirmi-tá-tibus me-is, ut inhábi-tet in me virtus Christi.

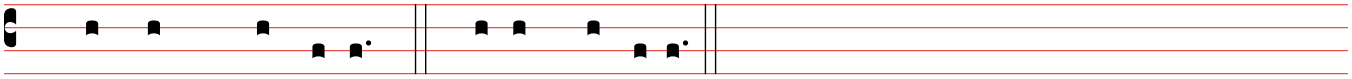
Propter quod pláce- o mihi in infirmi- tá- tibus, in contumé- li- is, in



necessi- tá- tibus, in persecuti- ónibus et in angústi- is, pro Christo:



cum enim infírmor, tunc potens sum.



℣. Verbum Dómini. ℟. De-o grá-ti-as.
