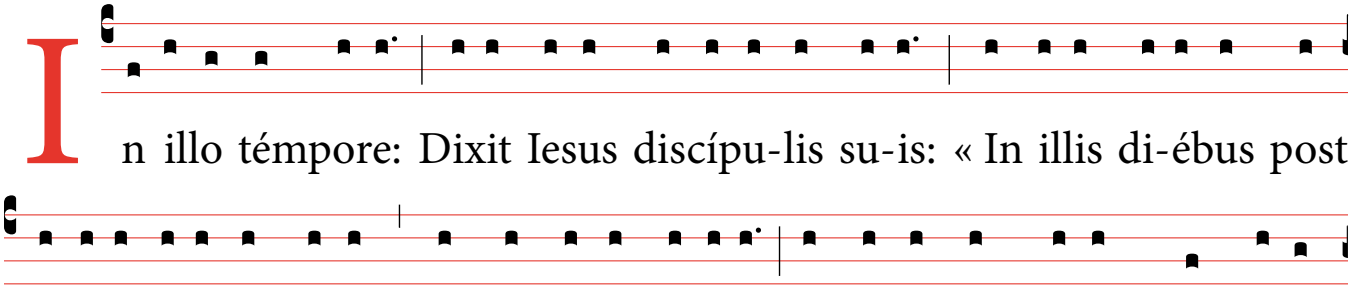
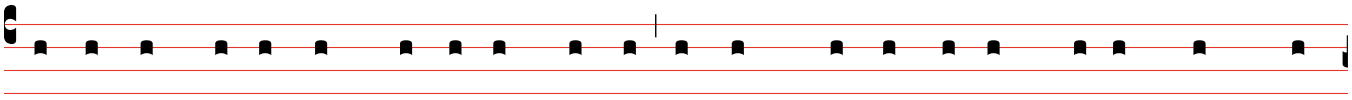
Mark 13:24–32

Tonus Antiquior

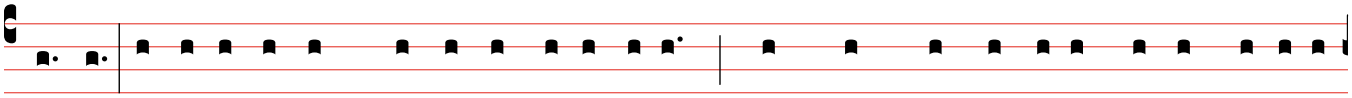
Dóminus vobíscum. ℟. Et cum spí-ritu tu-o. ℣. Lécti-o sancti Evangé-li-i secúndum Marcum. ℟. Glóri-a tibi, Dómine.



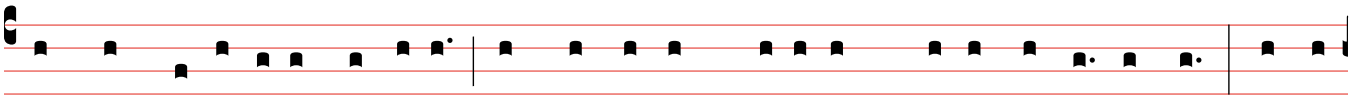
In illo témpore: Dixit Iesus discípu-lis su-is: « In illis di-ébus post tribula-ti-ónem illam sol contenebrábitur, et luna non dabit splendórem su-um, et erunt stellæ de cælo decidéntes, et virtútes quæ sunt in cælis movebúntur. Et tunc vidébunt Fí-li-um hóminis veni-éntem in núbibus cum virtúte multa et glóri- a. Et tunc mittet ángelos et congregábit



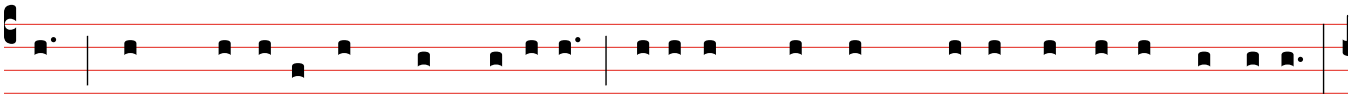
e-léctos su-os a quáttu-or ventis a summo terræ usque ad summum



cæ-li. A ficu autem dísci-te parábolam: cum iam ramus eius tener fú-erit

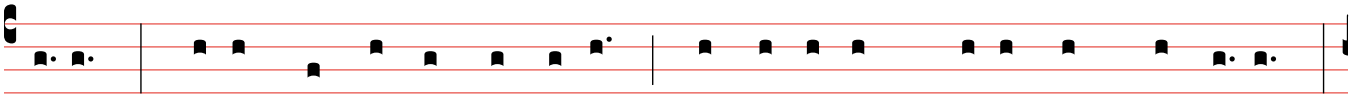


et germináverit fó-li-a, cognósci-tis qui-a in próximo sit æstas. Sic et

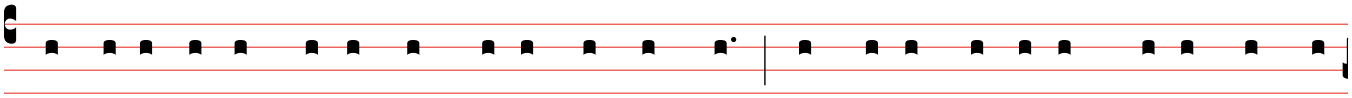


vos, cum vidéri-tis hæc fí-eri, scitóte quod in próximo sit in ósti-is.

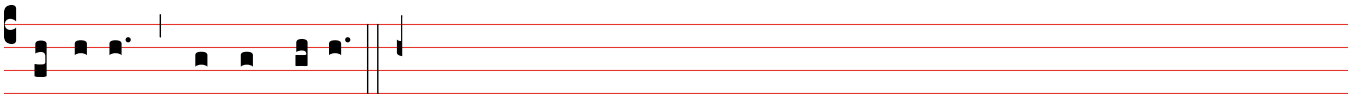
Amen dico vobis: Non tránsi-et generá-ti-o hæc donec ómni-a ista



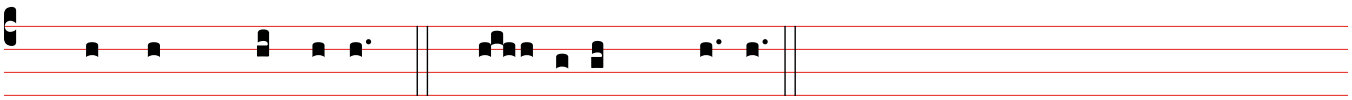
fi-ant. Cælum et terra transíbunt, verba autem me-a non transíbunt.



De di-e autem illo vel hora nemo scit, neque ánge-li in cælo neque



Fí-li-us, ni-si Pater ».



℣. Verbum Dómini. ℟. Laus tibi, Christe.
