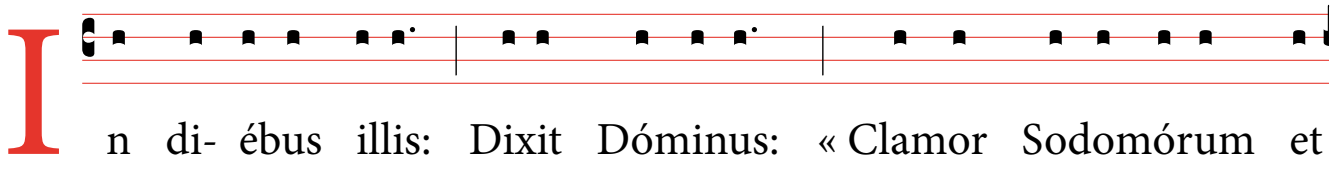
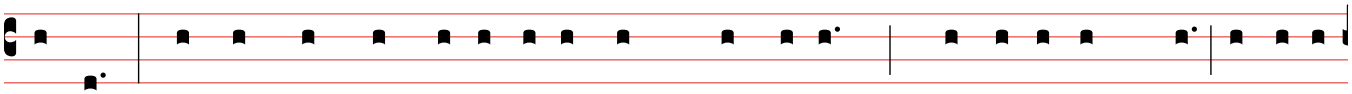
Genesis 18:20–32

Lécti-o libri Génesis



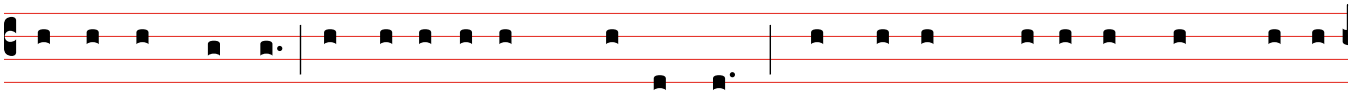
In di- ébus illis: Dixit Dóminus: « Clamor Sodomórum et

Gomórrhæ multiplicátus est, et peccátum e- órum aggravátum est

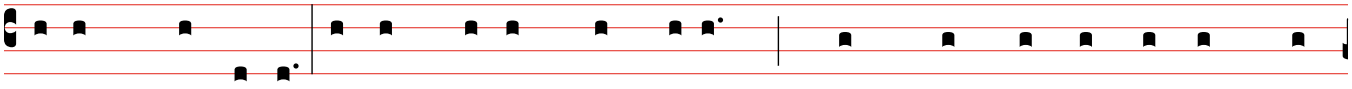


nimis. Descéndam et vidébo utrum clamórem, qui venit ad me, ópere

compléverint, an non est i-ta, ut sci-am ». Converterúntque se inde



du- o Ange- li, et abi- érunt Sódomam. Abraham vero adhuc stabat



coram Dómino. Et appropínquans a-it: « ¿Numquid perdes iustum cum

ímpi-o? Si fú-erint quinquagínta iusti in civi-táte, ¿períbunt simul?

Et non parces loco illi propter quinquagínta iustos, ¿si fú-erint in e-o?

Absit a te, ut rem hanc fáci-as, et occídas iustum cum ímpi-o, fi-átque

iustus sicut ímpi-us. Non est hoc tu-um; qui iúdicas omnem terram,

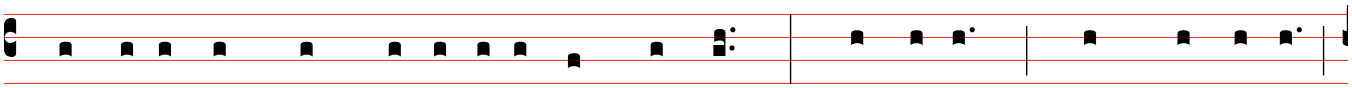
nequáquam fáci-es iudíci-um hoc ». Dixítque Dóminus ad e-um: « Si

invénero Sódomis quinquagínta iustos in médi-o civi-tá-tis, dimíttam

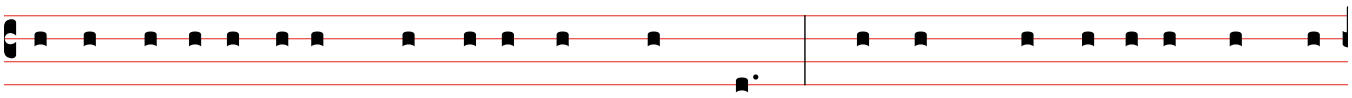
omni loco propter e-os ». Respondénsque Abraham a-it: « Qui-a

semel cœpi, loquar ad Dóminum me-um, cum sim pulvis et cinis.

¿Quid si minus quinquagínta iustis quinque fú-erint? ¿De-lébis propter

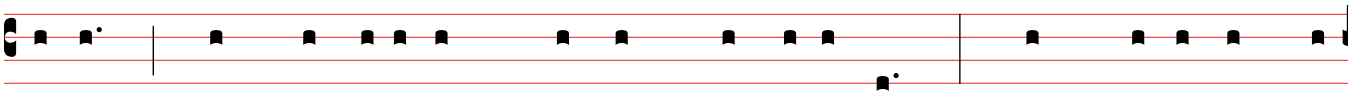


quadragínta quinque univérsam urbem? » Et a- it: « Non de- lébo,

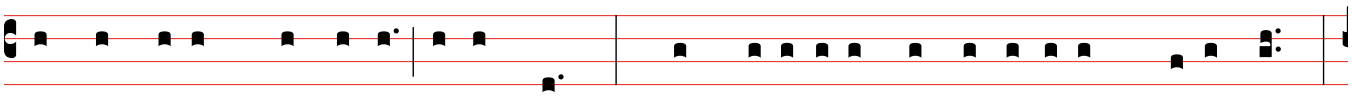


si invénero ibi quadragínta quinque ». Rursúmque locútus est ad

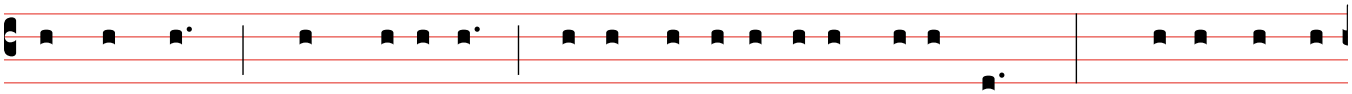
e- um: « Sin autem quadragínta ibi invénti fú- erint, ¿quid fáci- es? »



A- it: « Non percúti- am propter quadragínta ». « Ne, quæso, inquit,

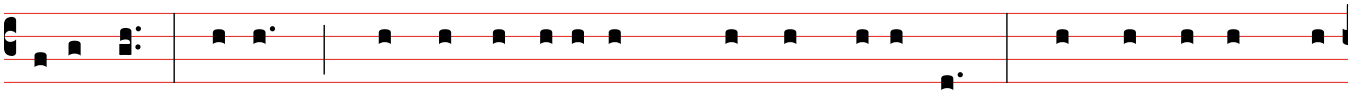


indignéris, Dómine, si loquar. ¿Quid, si ibi invénti fú-erint trigínta? »

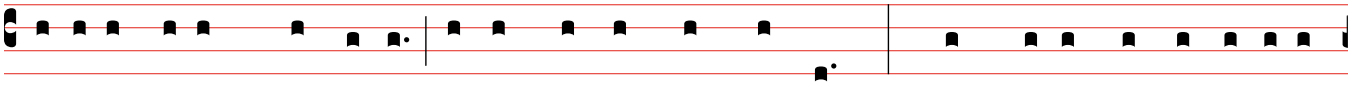


Respóndit: « Non fáci- am, si invénero ibi trigínta ». « Qui- a semel,

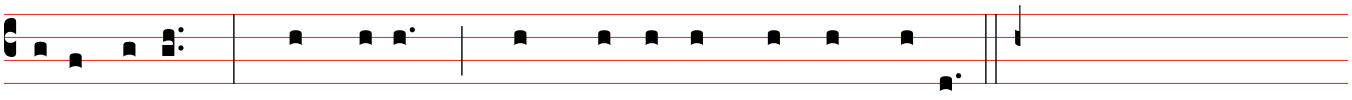
a-it, cœpi, loquar ad Dóminum me-um. ¿Quid, si ibi invénti fú-erint



vigínti? » A- it: « Non interfíci- am propter vigínti ». « Obsecro, inquit,



ne irascáris, Dómine, si loquar adhuc semel. ¿Quid, si invénti fú-erint



ibi decem? » Et dixit: « Non de-lébo propter decem ».
