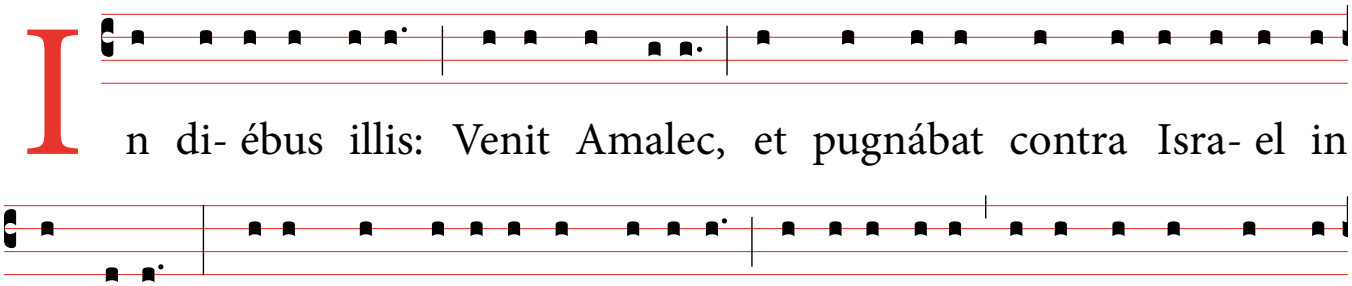
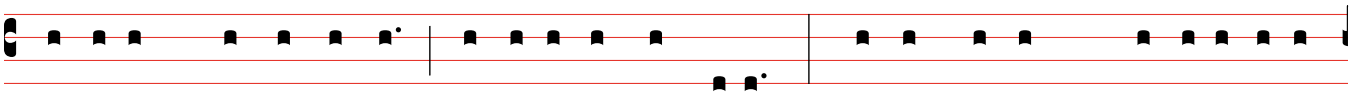
Exodus 17:8–13

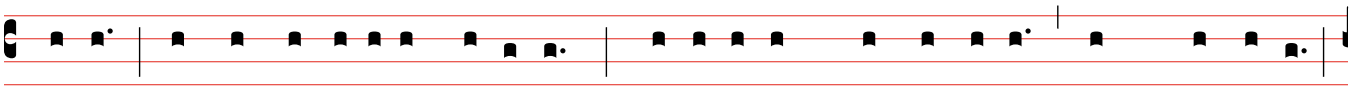
Lécti-o libri Exodi



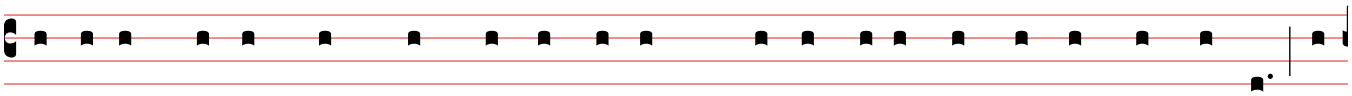
In di- ébus illis: Venit Amalec, et pugnábat contra Isra- el in Ráphidim. Dixítque Mó-yses ad Iósu-e: « E-lige viros, et egréssus pugna contra Amalec; cras ego stabo in vértice collis, habens virgam De-i in manu me-a ». Fecit Iósu-e ut locútus erat Mó-yses, et pugnávit contra Amalec; Mó-yses autem et A-aron et Hur ascendérunt super vérticem collis. Cumque leváret Mó- yses manus, vincébat Isra- el; sin autem



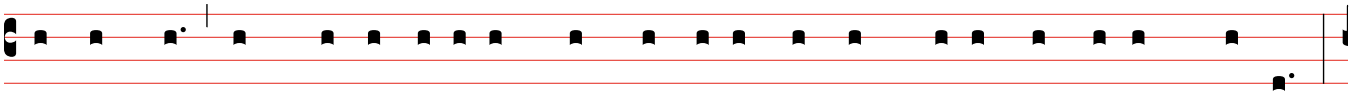
páululum remi- sísset, superábat Amalec. Manus autem Mó- ysi erant



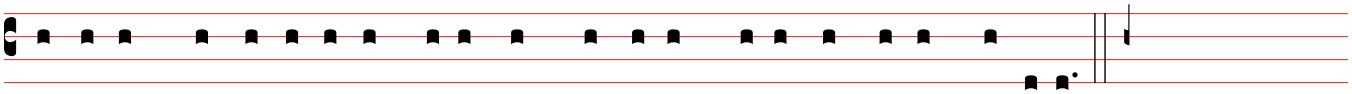
graves; suméntes ígitur lápidem, posu-érunt subter e-um, in quo sedit;



A- aron autem et Hur sustentábant manus eius ex utráque parte. Et



factum est ut manus illí-us non lassaréntur usque ad occásum so-lis.



Fugavítque Iósu-e Amalec et pópulum eius in ore gládi-i.
