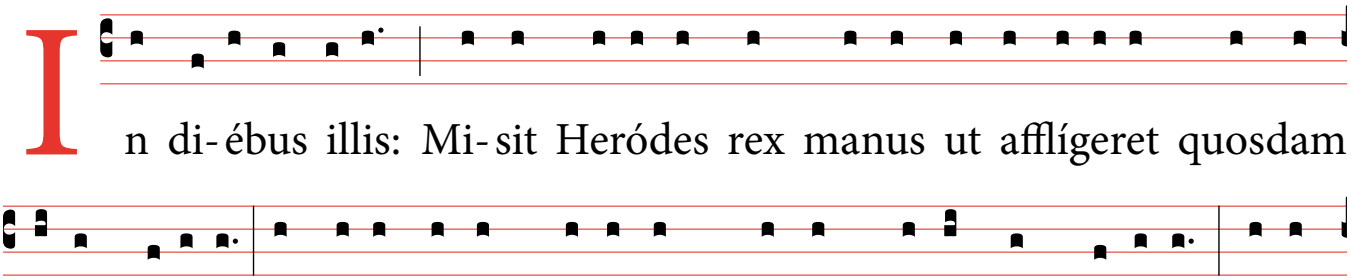
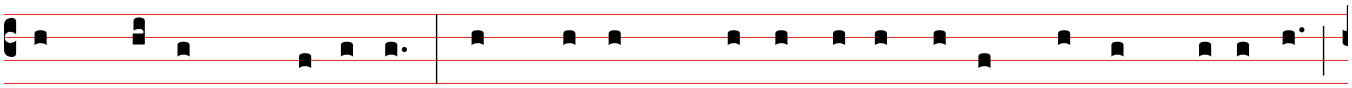
Acts 12:1–11

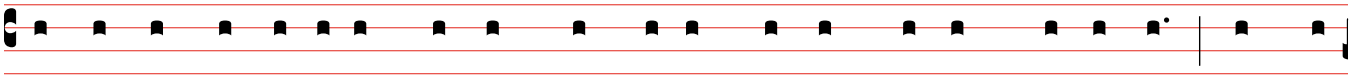
Lécti-o Actu-um Apostolórum



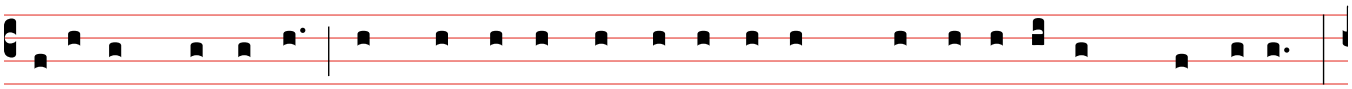
In di-ébus illis: Mi-sit Heródes rex manus ut afflígeret quosdam de Ecclési-a. Occídit autem Iacóbum fratrem Io-ánnis gládi-o. Videns autem qui-a placéret Iudǽ-is, appósu-it apprehéndere et Petrum. (Erant autem di-es azymórum). Quem, cum apprehendísset, mi-sit in cárcerem, tradens quáttu-or quaterni-ónibus mí-litum custodíre e-um, volens post Pascha prodúcere e-um pópulo. Et Petrus quidem servabátur in cárcere; orá-ti-o autem fi-ébat sine intermissi-óne ab Ecclési-a



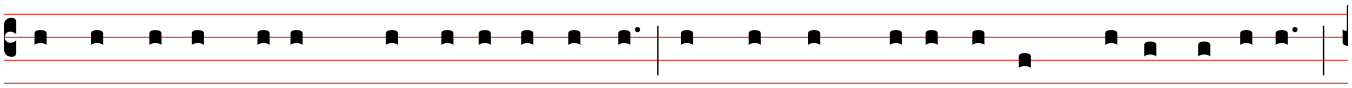
ad De- um pro e- o. Cum autem productúrus e- um esset Heródes,



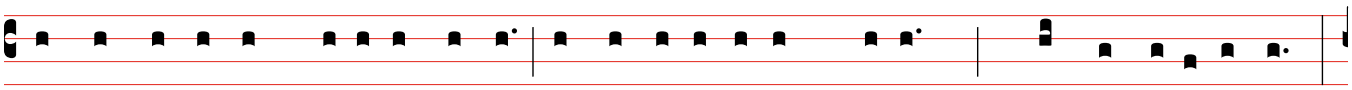
in ipsa nocte erat Petrus dórmi- ens inter du- os mí- li- tes, vinctus



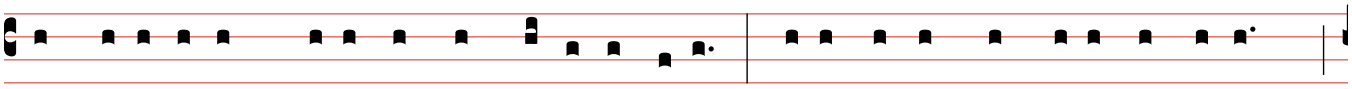
caténis du- ábus, et custódes ante ósti- um custodi- ébant cárcerem.



Et ecce ángelus Dómini ásti- tit, et lumen refúlsit in habi- táculo,



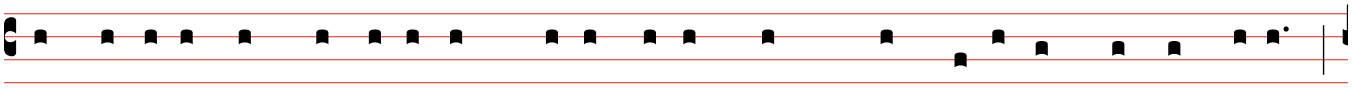
percússo autem látere Petri, susci-távit e-um dicens: « Surge velóci-ter ».



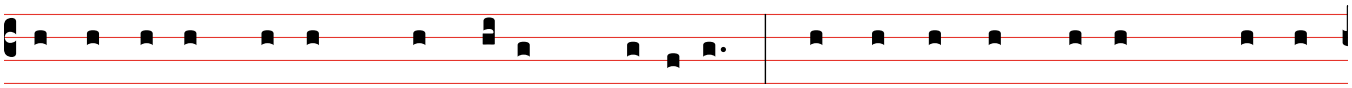
Et cecidérunt caténæ de mánibus eius. Dixit autem ángelus ad e-um:

« Præcíngere et cálce- a te sandá- li- a tu- a ». Et fecit sic. Et dicit

illi: « Circúmda tibi vestiméntum tu- um et séquere me ». Et éxi- ens



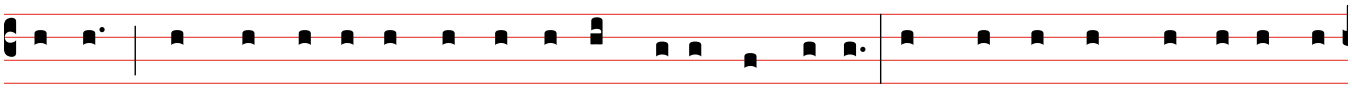
sequebátur et nesci- ébat qui- a verum est quod fi- ébat per ángelum;



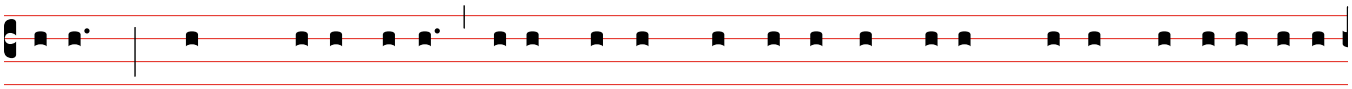
æstimabát autem se visum vidére. Transe- úntes autem primam

custódi-am et secúndam venérunt ad portam férre-am, quæ ducit ad

civi-tátem, quæ ultro apérta est e-is, et exe-úntes processérunt vicum



unum, et contínu-o discéssit ángelus ab e-o. Et Petrus ad se revérsus



dixit: « Nunc sci-o vere qui-a mi-sit Dóminus ángelum su-um et erípu-it

me de manu Heródis et de omni exspecta-ti-óne plebis Iudæ-órum ».
